

# Lions and Firemen Face Busy Weekend

## Service Club Will Launch New Fund Raising Method Saturday In Form of Community Pancake Day

If the Lions club does a good selling job breakfast tables will be empty in Mokena Saturday morning.

For beginning at 7 o'clock that day the Lions will serve pancakes to all and sundry.

There are no set hours for serving, except that it will not begin until 7 a. m. and will end at 5 p. m. Pancakes will be available on order at anytime between those hours.

Aunt Jemima will be here—person-to-person—to supervise the making and serving of her favorite recipe. Whether you are one that calls them pancakes, flannel cakes, or wheat cakes or hot cakes, you'll get them, according to William Blaha, general chairman. He is being assisted by Arthur Omland, Walter Spewak and Mayor John Searsh.

A tent, equipped with tables and benches, is to be erected on Mokena st. in the block just north of Front st. That block on Mokena st. is to be closed to traffic because it is an established fact that spreading butter or pouring syrup on pancakes while leaping nimbly from curb to curb, to avoid being plowed under by truck or car, is extremely difficult to do. It is pointed out that a situation is not only hazardous but also results in considerable waste of butter and syrup.

Thus, to provide their customers with a feeling of ease and security, the Mokena Lions have arranged to keep Mokena street clear of moving cars in the block north of Front st.

The Lions are hopeful that the attendance exceeds their fondest expectations, because the pancake sale is to be the clubs main source of revenue for its charitable enterprises.

In the past the Lions have looked to the annual Mokena Homecoming celebration as the source of most of its funds for its various projects but they have now decided to have a pancake fiesta every year.

The Lions club has aided numerous persons in the area who have been in need of attention for their eyes, or have had other illnesses and insufficient funds to get the necessary care.

Sight conservation and aiding the blind is perhaps the major project of all Lions clubs but they also do many other things to aid their fellow men and devote much time to civic and community betterment. It was pointed out. They also aid in youth programs. Last year the club built an ice rink in Memorial Park.

Such a program requires money. The Lions meet their regular club expenses out of dues but its outside affairs could not be financed thru dues, a spokesman said, and so an appeal is made to the public for assistance.

Once a month, the last Thursday, the Lions canvass the community, picking up waste paper, rags and scrap metal which they sell and add the returns to their welfare fund. They also do windshield washing and engage in other money-making pursuits.

But the main source of revenue now will be Pancake Day, according to Ray Westlund, club president and he urges the public to support the plan Saturday.

### Funeral Services For Anna Reiter Held at Lockport

Funeral services for the late Mrs. Anna Reiter, 73, of E. 11th st., Lockport, who died in Silver Cross hospital May 1, were held in the First Congregational church in Lockport Thursday afternoon, May 3. The Rev. John Phillips officiated. Burial was made in the Brooks cemetery.

Mrs. Reiter, the former Anna Spiess, of Mokena, lived for many years in Homer township in the Reiter homestead, now occupied by Ralph Reiter Sr., family. Upon retiring from farming, Mrs. Reiter and her husband John moved to Lockport address where he died a few years ago.

Surviving are four sons, Ralph and John of Homer; Burton of Manteno and Leslie of Joliet; three daughters, Mrs. Bernard Carlson, Plainfield; Mrs. Norbert Starshak, Mt. Prospect; and Mrs. Leo Deininger of Joliet township. Also by five brothers, Wilbert, Harold, Walter Sr. and Alvin, all of Mokena and Harvey of Joliet; 20 grandchildren and 12 great grandchildren.

## 2 L-W Students Receive Awards From Governor

Two Lincoln-Way high school students, Yvonne Piepenbrink, a senior, and Terry Schroeder, a freshman, both of Frankfort, are among the 37 students in the state who will receive awards tomorrow from Gov. Stratton for their outstanding contributions to the "Illinois Junior Historian," a magazine sponsored by the Illinois State Historical Society.

The presentations will take place at 1:30 o'clock tomorrow afternoon in Springfield as a highlight of Junior Historian day.

Miss Piepenbrink's article, "Frankfort Through the Years," appeared in the September issue and was reproduced in this paper. Terry Schroeder's "The Sauk Trail," which appears on another page in this paper, was published in the April number of the Junior Historian.

Just who gets what awards will be made known when they are given out. The John H. Hauberg Memorial award of \$25 and a certificate will be presented to the student whose contribution to the "Junior Historian" has been judged as most outstanding.

The Rotary club of Rock Island's award of \$25 and a certificate will also be presented to the teacher who is judged to have made the finest contributions to this year's "Junior Historian."

Earl H. Dieken, of the Lincoln-Way faculty, has been nominated for this award.

Following the award ceremonies the students will make a tour of the governor's mansion. Other students, teachers and parents are welcome to attend the ceremonies and to visit the mansion.

### Mrs. Harriet Piper, 39, Frankfort Twp., Injured in Crash

Harriet Piper, 39, wife of Russell Piper, Frankfort township, is still unconscious in St. James hospital, Chicago Heights, as a result of an automobile-truck collision last Friday forenoon. The accident occurred at the intersection of U. S. 54 and Sauk Trail.

Mrs. Piper was enroute to Chicago Heights and was alone in the car. At the intersection the car she was driving and a cattle truck, driven north on Route 54 by Robert G. Bodwell, of Winterset, Iowa, collided.

Chief of Police Martin Patrick of Richton Park said that according to investigation Mrs. Piper apparently did not see the truck approaching and pulled into its path. Her car was pushed 190 feet along the road before it plunged off into a deep water filled ditch. Mrs. Piper was thrown out of the car and would have gone into the water and perhaps drowned but for the fact that she rolled against a bush.

She was taken to St. James hospital where she is being treated for head injuries. Mrs. Piper was unconscious when removed to the hospital and has not yet regained consciousness.

The driver of the truck, escaped injury as did the 30 cattle he had aboard which he was freighting to the stockyard, at Chicago.

The Piper car was practically demolished.

The Pipers reside three miles south of Frankfort and a mile west on a farm they had purchased recently. There are three children. The Pipers moved to Frankfort township about a year ago from Grant Park.

### BASEBALL MEETING

Alvin Sorenson, president of the Mokena Baseball association is calling a meeting Friday evening, May 11 of coaches, managers and all adults interested in the promoting of the Small Fry Babe Ruth leagues of baseball.

The meeting will be held at 7:30 p. m. in the Mokena public school. Mr. Sorenson is anxious to have a good turn out of the adults because the summer schedule and program is to be set up at this meeting.

## Lincoln-Way Science Students Win State Honors with Work

Lincoln-Way science students swept the field in the state contest at Springfield.

John Weber received a first award for his entry "Stereophonic Sound" which made use of a dual track record and two pick up arms. Ralph Eisenbrandt received a second award for his project "Multi-Channel Inter-communication System," which made use of ten speakers and four separate channels for inter-room communication. LeRoy Bitner with his entry, "Musical Light," received second award. LeRoy's project made use of the frequency of an interrupted light beam to produce a musical note.

The Phi-Chem Association received the outstanding award given in the state for their excellent program during the 1955-56 school year.

The Phi-Chem Association, the Junior-Senior Science club at Lincoln-Way community high school, is a group of students with the same common interest in science. The club stimulates the advancement and interest in science in the surrounding communities by the many activities promoted by the club members.

The club engages in activities throughout the year which include such occasions as guest speakers at club meetings; producing the Red Book, a student directory; a three act play; produced, written and directed by club members; science open-house, and many more too numerous to mention. It also conducts an annual scholarship plan whereby the outstanding senior science student receives aid toward his college education.

Business meetings are held bi-weekly where the activities of the club are discussed, committee assigned, and the possibilities of field trips to industry and various scientific fields of interest are studied. Some members attend Engineering open house at the University of Illinois every year and tour various industries in the local area. The board of directors, which meets at the discretion of the president, plans and constructs the activities of the club. The board consists of a president, vice president, secretary, business manager and art director. The faculty sponsor, H. Neil Hardy, and chemistry and physics lab assistants also attend our meetings and contribute to the discussion.

Its major purpose is to influence not only the school in the scientific field, but to benefit the entire student body and communities served by the school by furthering the advancement and use of scientific functions in our area.

The Phi-Chem Association's entry was exhibited by Allan Maeger who will be president of Phi-Chem for 1956-57.

The exhibit consisted of a group of posters depicting the various activities thru pictures and newspaper clippings. Also accompanying the exhibit was a notebook prepared by twenty students, telling of the various activities and the philosophy of each. Dr. E. I. Wallin, assistant director of the teacher improvement program of the American Association for the Advancement of Science, has asked for a copy of this notebook to be used in helping other teachers get science clubs established and functioning.

James Cooper and Rudolph Guzik were introduced alone with twenty one other National winners in the science talent search which is conducted by Westinghouse. The Illinois State Academy of Science paid for their banquet tickets and gave cash \$10 toward their transportation costs.

Seventy hundred five exhibits were entered in the state meeting and over 1100 exhibitors took part and received awards. The annual projects awards banquet was attended by 850 students and sponsors of the 250 clubs affiliated with the Illinois Junior academy of science.

H. Neil Hardy, chairman of the science and mathematics department at Lincoln-Way, was recognized as being one of a group of ten outstanding science teachers in Illinois.

George Burrow and Charles Ellermann also attended the meeting. Mr. Burrow supervised the preparation of the exhibit.

"Musical Light," and Mr. Hardy guided the preparation of the other exhibits from Lincoln-Way.

## Direct Church Fund Campaign

The New Lenox Methodist church is launching a campaign tonight for \$100,000 and the men pictured here are in charge of the drive. Left to right they are, John Francis, the Rev. George Martin, Frank Valy, Ronald Crisman and Glenn Valy. Mr. Crisman is the general chairman and Glenn Valy is in charge of the congregation canvass. The congregation has decided to build an addition to the present church to accommodate the growth in membership but not all of the money to be raised is intended for that purpose. The \$100,000 includes the amount to be set aside to cover the operating expenses of the church for the next two years. The kick-off dinner in the campaign is scheduled for tonight at 7 o'clock in the church. The victory dinner which will mark the end of the drive, is scheduled for May 24.

## Lincoln-Way Band and Chorus to Give Concert Tomorrow Night

The Lincoln-Way band and chorus will present their annual 8 o'clock in the high school gymnasium.

The band program has been arranged to feature the final appearance of six seniors, Diane Batson, Larry Cullison, Ted Hurst and Paul Schuh of New Lenox, James Cooper of Mokena and Rudy Guzik of Frankfort.

Diane is to play a oboe solo, "Elegy," and Paul Schuh, leader of the woodwind section is to give a flute solo, "Concerto."

Rudy Guzik is playing his piano composition, "Lincoln Etude in C-Minor," and Ted Hurst will be featured in the band selection, "Trumpeter's Lullaby."

Larry Cullison, a student conductor, section leader and secretary of the band, will conduct a number as will James Cooper, president of the band this year.

Other selections on the band program will include "Caucasian Sketches," "Hall of Fame March," "Badinage of Basses," "Erica Overture," and for the finale, Sousa's "Stars and Stripes Forever."

On the choral portion of the program there will be several numbers by the girls' chorus, accompanied by Barbara Sayers, included in this group of selections will be, "The Lord is My Light," "The Star," "Music When Soft Voices Die," and a melody from "The King and I."

The freshmen girls' chorus, accompanied by Carole Gilmore, will sing, "Song of the Gypsies" and "Jacob's Ladder."

The boys' glee club is to sing, "Deep River."

The mixed ensemble is to sing, "The Music Makers," and "I Heard a Forest Praying," and the girls' ensemble will sing "May Day Carol," and "Alexander's Ragtime Band."

The public, of course, is invited and tickets will be available at the door.

Robert Taylor, who is in charge of instrumental music, will direct the band and Mrs. Betty Tryon, who is in charge of choral work at the school, will direct that part of the program.

Lincoln-Way musicians scored a total of eight firsts, five seconds, and three thirds in the state final music contest held at DeKalb last Friday, May 4. Third place ratings went to Charles Hammond, baritone horn solo, a woodwind trio, and a girls' double vocal ensemble. Seconds were awarded to Diane Batson, oboe solo; Carol Larson, high voice solo; Rudy Guzik, bassoon solo; a cornet quartet, and a mixed double vocal ensemble.

First place ratings were won by Bill McCormick, snare drum solo; Paul Schuh, flute solo; Ronnie Steinberg, alto saxophone solo; Wendell Anderson, high voice solo; a brass quintet; a drum quintet; a saxophone quartet; and a brass quartet.

The price of haircuts has gone up in Mokena, Frankfort and New Lenox. The barbers in these communities are members of the same local or so the prices are the same here as there.

Under the new price schedule which became effective Monday of this week, haircuts are raised from \$1.35 to \$1.50 on days except Saturdays or before holidays. On Saturdays and the days before holidays haircuts will be \$1.75 for adults, \$1.50 for children under 12 years of age. On other days the price of haircuts for youngsters under 12 will be \$1.25, provided they have the work done before 5 o'clock. After 5 o'clock the price will be the same as for adults, \$1.50.

## Mokena Fire Department Depends On Proceeds From Annual Dance To Buy and Maintain Equipment

### Enrollment to Zoom at L-W, Step-up Shows

Step-up day in the Lincoln-Way high school district was a breath-catching event for administrators and board members of the institution.

They had expected that the maximum registration of freshmen for next year would be 150. But on step-up day last Friday 185 boys and girls from the grade schools of the area reported at Lincoln-Way and registered as prospective pupils for next September.

There are 79 seniors who will be graduated in June but if 185 freshmen register next fall the net increase will still be 106, an increase considerably above that expected.

The present enrollment is 460. The addition of 106 would push the school's population close to the 600 mark and it is possible that enrollment of upper classmen who may move into the district will make it even closer.

The increase in enrollment will necessitate hiring more teachers—at least three according to Supt. A. Hunter Chapman, and teachers are scarce. School heads agree, Lincoln-Way has 26 members on its faculty.

As a result of recent action by the board the starting salary for a teacher at Lincoln-Way without experience is \$3,500.

This is recognized as a good starting salary but competition has grown keen among schools in the face of a teacher shortage and starting pay of \$3,500 is no longer exceptional.

There are some schools that pay less but by the same token there are some that pay more, so hiring teachers today is not an easy task.

The additional teachers that will be needed in September is another reason, a board spokesman said, why it has become necessary to ask for an increase in the educational tax fund increase for 71 to 86 cents. This will be voted on at a special election June 16. All salaries and equipment are paid for out of the educational fund.

### Revise Prices of Haircuts Upward

The price of haircuts has gone up in Mokena, Frankfort and New Lenox. The barbers in these communities are members of the same local or so the prices are the same here as there.

Under the new price schedule which became effective Monday of this week, haircuts are raised from \$1.35 to \$1.50 on days except Saturdays or before holidays. ### Library Gets New Shipment of Books From State

The Mokena Book club will meet tomorrow night in the home of the president, Mrs. Walter Shewski, to hear a review of "Imperial Woman" by Pearl Buck, given by Mrs. Richard Sippel. Mrs. Shewski reports that the Mokena library, which is operated by the Book club every Wednesday evening, will be closed on Wednesday, May 30 because of it being Memorial Day. Librarians for the month will be Miss Flora Maute, Mrs. Ray Over, Mrs. Maude Carlisle.

The library has just received a shipment of 300 books from the state library which will be on our shelves until November 1. Library cards are free and those in charge would like to see all the children in Mokena borrowing books from the library, especially the second and third grade children who need practice in reading. Some of the interesting books for young readers in this shipment are:

"Real Book about Magic" by Leeming and "New Way to Mystify" by Parrish for the boys who want to know how to make magic, and such animal stories as, "A Horse named Joe" by Gard, "The True Book of Dinosaurs" by Clark, "Blackie and his Family" by Cook, "Gay, A Shetland Sheepdog" by Johnson, and "Misty of Chincoteague" by Henry.

There are lots of picture books and easy reading for the pre-schooler and first grade child, like "Pogo" Truck Ride" by Norling, "Noah's Ark" by Palazzio, "Off to Bed by Petersham, and "Picture Book of Animals" by Babes.

Adventure stories for teenagers include "Trouble on the Trace" by Person, "Wild Hunter" by Randall, "World Series" by Tunis, "Mystery of the Spanish Saber" by Wadsworth, and "Santiago" by Clark.

Car Stolen From Mokena Recovered; Partially Stripped

When George Devlin, First st. Mokena, went to get into his Ford car Sunday morning he was surprised to find that it was not in his driveway where he had parked it Saturday night. Upon further investigation he found that it had been stolen.

Monday morning a Mokena resident noticed a car parked along route 6 at the Marley curve. He reported it to the Devlins, who found it to be their stolen car. The lights were broken and many parts were missing, so many the car could not run on its own power. Mr. Devlin had it towed to his home where he will repair it at his leisure.

Chuckholes, created by spring weather changes, give your car a worse jolt than its passengers feel. Slow down, warns the Chicago Motor club, and save wear and tear.

Model planes—radio controlled—are all of his own making and he frequently alters their construction in his experimenting.

His latest venture in the model field, is a cabin cruiser. Its hull has an overall length of 28 inches and is driven by a small motor which is powered by a power pack and ten standard size flashlight batteries. There is another miniature motor that controls the rudder. Gears some of the other moving parts once comprised what it takes to make an alarm clock tick.

The propeller will run forward or in reverse.

The "engines" and the rudder are operated from a control box with an antenna, that looks like part of a walkie-talkie, which the operator carries in his hands. With the rig he has, Daniel can operate a plane or the boat within a mile radius.

Daniel is a good student. In his spare time he works at the Vogt department store in Tinley. His father is on the custodial staff at Bremen high.

The annual dance of the Mokena fire department will be held Saturday night, May 12 at the Veterans of Foreign Wars hall on Wolf road.

And for those who do not dance the department is holding its yearly pinocle tournament.

Both affairs begin at 8 o'clock. This will be the 11th annual dance given by the Mokena fire men and it will be held on the main floor of the VFW building. The tables for the pinocle games will be placed downstairs.

The pinocle tourney is always a popular event and it is expected by those in charge that all the tables will be filled. The usual number of substantial prizes to reward the skill of the pinocle addicts have been provided, the committee stated.

This dance and card party is always well attended and because of the increase in population attendance at this year's affair is expected to be even better than on former occasions.

The committee in charge points out that the dance is a family affair and all youngsters old enough to dance will be admitted with their parents without charge.

The committee also wishes to remind their new neighbors who have not been here for previous dances that it is a community affair. Not only do the people who attend have a good time but their purchase of tickets provides the department with funds to meet operating expenses.

The Mokena fire department is made up of volunteers. These men give their time and effort, and frequently risk their lives to aid their neighbors.

The firemen receive no pay for their work.

Neither are there any public funds to be drawn upon to buy equipment or pay for its upkeep. The department is supported entirely from donations and most of them are given in the form of purchases of dance tickets.

If it were not for the proceeds realized from the annual firemen's dance there wouldn't be any fire department in its present form. If the village operated the department, it was pointed out, the amount that would be necessary in taxes to finance it would cost the people considerably more than it does to buy dance tickets.

As any car owner knows, gasoline driven engines don't run without occasional repairs and the time comes eventually when they just don't run—period—and have to be replaced. Hose is another item that must be replaced from time to time and it is not cheap. There are also many other items of equipment necessary for the operation and maintenance of a fire department and none of them, the committee pointed out, are free.

Support of the department is urgent and it can be done rather painlessly, the committee stated, thru the purchase of dance tickets. Persons who have not yet purchased their tickets may do so at the door.

Refreshments will be served. All food and soft drinks may be purchased for nominal sums.

# LEGAL NOTICE

## TOWN FUNDS

STATE OF ILLINOIS, County of Will SS. Town of New Lenox

## OFFICE OF TOWN SUPERVISOR

The following is a statement by John E. Francis, Supervisor of the Town of New Lenox in the County and State aforesaid, of the amount of public funds received and expended by him during the fiscal year just closed, ending on the 26th day of March, 1956, showing the amount of public funds on hand at the commencement of said fiscal year; the amount of public funds received, and from what sources received; the amount of public funds expended, and for what purposes expended, during fiscal year ending as aforesaid.

The said John E. Francis, being duly sworn, doth depose and say, that the following statement by him subscribed is a correct statement of the amount of public funds on hand at the commencement of the fiscal year above stated, the amount of public funds received, and the sources from which received, and the amount expended, and purposes for which expended, as set forth in said statement.

Subscribed and Sworn to before me, this 28th day of March 1956.

R. D. Konopack, Justice of the Peace

JOHN E. FRANCIS

STATE OF ILLINOIS, County of Will SS. Town of New Lenox

## OFFICE OF TOWN SUPERVISOR

The following is a statement by John E. Francis, Supervisor of the Town of New Lenox in the County and State aforesaid, of the amount of public funds received and expended by him during the fiscal year just closed, ending on the 26th day of March, 1956, showing the amount of public funds on hand at the commencement of said fiscal year; the amount of public funds received, and from what sources received; the amount of public funds expended, and for what purposes expended, during fiscal year ending as aforesaid.

The said John E. Francis, being duly sworn, doth depose and say, that the following statement by him subscribed is a correct statement of the amount of public funds on hand at the commencement of the fiscal year above stated, the amount of public funds received, and the sources from which received, and the amount expended, and purposes for which expended, as set forth in said statement.

Subscribed and Sworn to before me, this 28th day of March 1956.

R. D. Konopack, Justice of the Peace

JOHN E. FRANCIS

STATE OF ILLINOIS, County of Will SS. Town of New Lenox

## OFFICE OF TOWN SUPERVISOR

The following is a statement by John E. Francis, Supervisor of the Town of New Lenox in the County and State aforesaid, of the amount of public funds received and expended by him during the fiscal year just closed, ending on the 26th day of March

1956, showing the amount of public funds on hand at the commencement of said fiscal year; the amount of public funds received, and from what sources received; the amount of public funds expended, and for what purposes expended, during fiscal year ending as aforesaid.

The said John E. Francis, being duly sworn, doth depose and say, that the following statement by him subscribed is a correct statement of the amount of public funds on hand at the commencement of the fiscal year above stated, the amount of public funds received, and the sources from which received, and the amount expended, and purposes for which expended, as set forth in said statement.

JOHN E. FRANCIS

Subscribed and Sworn to before me, this 28th day of March 1956.

R. D. Konopack, Justice of the Peace

| Date       | Funds Received                                                                                               | Sources Received | Amount             |

## Annual Appropriation Ordinance of the Village of New Lenox Will County, State of Illinois, for the Year 1956

Ordinance No. 54  
AN ORDINANCE MAKING APPROPRIATIONS FOR ALL CORPORATE PURPOSES FOR THE FISCAL YEAR BEGINNING MAY 1, 1956 AND ENDING APRIL 30, 1957 FOR THE VILLAGE OF NEW LENOX, WILL COUNTY, STATE OF ILLINOIS.

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF NEW LENOX, WILL COUNTY, STATE OF ILLINOIS:

SECTION 1: That the amounts hereinafter set forth or so much thereof as may be needed, be and the same are hereby appropriated for the general corporate purposes and such other purposes as hereinafter specifically described for the fiscal year of said Village of New Lenox, Will County, State of Illinois, beginning May 1, 1956 and ending April 30, 1957.

SECTION 2: That the amount appropriated for each object or purpose appears in the column under the words "Total Appropriation

## Tinley Park School Head Does Fine Job in Building Up System

In these times of over-crowded classrooms and too few teachers, the Tinley Park public school, under the leadership of Superintendent Walter Fierke, has been adequately able to handle the ever-increasing student enrollment. At no time has it been necessary to resort to double sessions. The superintendent gives credit for this to present and past members of

education has always been particularly interested in obtaining the best teachers possible. The staff is composed of exceptionally fine teachers whose interest are not only centered in teaching the fundamentals of education, but also in helping children to mature as useful citizens in our democratic society.

The upper grades have many extra-curricular activities, including intra-mural program; an excellent program which includes participation in all sports, also tumbling and high jumping under the tutelage of an able coach. Students may participate in a literary program by writing and submitting school essays for publication in the Tinley Park Times. They boast an active student council. The musical program includes vocal and a school band.

Superintendent Fierke was born in Dundee, Ill. He obtained his bachelor degree at Bradley university and awarded a master's degree from Northwestern university. He attended the University of Wisconsin for post-graduate work. He was a teacher in the Glenview grammar school and served as principal in Arbor Park school in Oak Forest before taking over the administration of the Tinley Park school.

His wife, who is a graduate of the University of Illinois was an X-ray laboratory technician. They have three children. Bill who is 16 years and a sophomore in Bremen high school, aspires to be an engineer; Peg, who shows artistic talent is in seventh grade, and Charles who is 7 years old.

The educator and civic leader is a member of the Tinley Park Chamber of Commerce, The Lions club, secretary of the Police Commission, and member of the village planning commission.

Supt. Fierke school boards who have been farsighted in planning for the future.

When Fierke assumed the superintendency 15 years ago, the school had an enrollment of 244 pupils in eight classrooms. Today there are two buildings for a total of 28 rooms, housing 750 pupils. The faculty includes 26 teachers and two principals.

As student enrollment increased, one wing was added to the Tinley Park school consisting of four classrooms and an office. The Bert Fulton school for grades one thru four was built in 1952. Since that time two additional buildings have been made; the first in 1953 of four rooms and six additional rooms in 1955. The school now has a total of 16 rooms.

Supt. Fierke advises that next year all available classroom space will be in use. The board plans to add five teachers to the staff to take care of an expected enrollment of approximately 850 pupils.

At the present time they are investigating the possibility of acquiring additional school sites. "Eventually the Tinley Park building will become a junior high school, housing only seventh and eighth grades" advises the superintendent.

Next fall it is planned to add another first grade class, making a total of five sessions of this grade; also additional second and third grade classes, making four sessions of grade classrooms.

The Tinley Park board of ed-

## THE SOCIAL WHIRL

Weddings, Engagements, Clubs, Women's Activities

### W.B.A. Will Hold Bake Sale Tomorrow

Tomorrow afternoon, May 11 at 2 p.m. at the National Tea, will find the Woman's Benefit Association, Sunset Review of offering for sale many delicious home baked cakes etc.

Mrs. Linda Mogford, whose husband died last week, was remembered with a memorial by the group.

Hostess for the meeting held May 3 at the American Legion hall were Doris and Hilda Johnson.

The social meeting dated for May 17 will be at the home of Mrs. Doris Johnson.

### Tinley Garden Club Plans Observance of Past Presidents' Day

The Tinley Park club members are planning to celebrate their fourth past presidents' day. They will meet at the home of Mrs. John Werth Friday, May 17, at 9 a.m., and will have lunch at Mack's Golden Pheasant cafe. They plan to visit Haeger's Pottery shop. Members are urged to be on time.

### VFW Auxiliary at Tinley Park Installs Officers

The Ladies Auxiliary of Bremen post, VFW, has installed officers for the coming year at recent ceremonies. Shown here, left to right (seated) are: Myrtle Houle, secretary; Kay May, junior v.p.; Bessie Seeley, president; Ruth Rump, senior v.p. and Ida Haber, treasurer; (standing) Tillie Steinhagen, civil defense; Ira Moore, musician; Mae Bertram, rehabilitation service; Ann Morrison, chaplain; Mary Klepper, historian; Gladys Elliott, hospital chairman; Vera Nordhoff, child welfare; Steffie Laubue, social chairman; Gen Mattson, patriotic instructor; Lorraine Miller, color bearer; Josephine Sneider, conductress; Dorothy Boe, guard; Dorothy Pennington, legislative chairman and Eleanor Larimore, ways and mean chairman. (Paul Leland Photo).

### Doris Schultdt, Glenn A. Immekus Recite Vows in Mokena Church

The wedding of Miss Doris Schultdt of Beecher and Glenn A. Immekus of Mokena took place in the Immanuel Lutheran church, Mokena, April 14 at 7:30 o'clock.

The chancel was decorated with bouquets of white flowers, palms and candelabras. The pastor, the Rev. A. W. Gode, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Harold Schultdt of Beecher and the groom is the son of Mr. and Mrs. Clarence Immekus, 192nd st., Mokena.

Mr. Otto Becque of Tinley Park presided at the organ and accompanied Mrs. Edwin Bockman and Miss Eileen Bockman when they sang, "O Perfect Love" and "The Lord, My Shepherd."

The bride was escorted by her father. She wore a waltz length gown of white lace and tulle over a full taffeta skirt and carried a bouquet of carnations tinted light blue and lilies of the valley. Her finger tip veil of imported lace was caught with a tiara studded with sequins and pearls.

Miss Doris Cooper of Orland Park was maid of honor and Miss Marilyn Hohenstein and Miss Lenora Bormet, both of Mokena were bridesmaids. They wore identically styled gowns of waltz length nylon taffeta, princess style. Miss Cooper's dress was yellow and she carried green carnations with lilies of the valley; Miss Hohenstein's gown was pink and her flowers were blue. Miss Bormet wore a pale green gown and carried yellow flowers. Each had a head piece of flowers with a short veil.

### Form Natural History Society

The Sauk Natural History society is officially "in business" as a chapter of the Illinois State Museum society, and welcomes everyone interested to attend future sessions. Movies, lectures group and community projects are planned for the near future. Those who have a specialty in the nature field are invited to come out and help write it into the schedule. Meetings will be held first and third Tuesday of the month in the Tinley Park Municipal building at 8 p.m.

Thus far three organizational meetings have been held and study groups in fossils, botany, zoology and conservation have been formed.

The following calendar has been adopted for the month of May:

May 15, "Wildflowers of Northern Illinois" an illustrated slide talk by Floyd Zwink, author and staff member of the University of Illinois School of Pharmacy.

May 20, "Field Trip to Coal City, Ill." to be led by Peter Enrietta, a naturalist of the area.

### Kirby Mother's Hold Election

The Mother's club of Kirby-McIntosh school met May 1 at the home of Mrs. F. J. Kluck to elect officers. Elected were: Norma Hooge, president; Lucille Graefan, vice president; Martha Dinger, secretary; Barbara McVey, corresponding secretary; Mary Seppa, treasurer.

May 25 is the date for the school picnic which will be held at Swallow Cliff, Palos forest preserve. Those attending will meet at the school at 9 a.m.

Final arrangements for the spring dance, dated for June 2 were approved by the club. The annual polluck for the

### Garden Clubs of Will County to Hold Luncheon

The Will county Federation of Garden clubs will hold their annual spring luncheon and flower show at Besold hall, East 11th st., Lockport, Monday, May 14 at 12:30, with the Prima African Violet club as hostesses.

Ribbons will be awarded for the floral and horticultural display, arrangements and table settings. All exhibits must be in place by 10:30 a.m. at which time the board meeting will convene.

Officers of the Federation are Mrs. Phil Goodwin, Wilmington president; Mrs. John Brown, of Manhattan, vice president; Mrs. William Herath, Plainfield, secretary, and Mrs. Frank Mitchell, Berwyn, a member of the Lemont club, treasurer.

In the afternoon there will be an illustrated lecture by Ralph Comstock of the Babson estate of St. Charles, who will talk on the Wild Flowers of the Estate.

Participating clubs, beside the host club, are the New Lenox Garden club, Floral and Garden club of Joliet, Joliet Botanical club, Manhattan, Wilmington, Plainfield and Lemont Garden clubs, Flower Growers and Green Thumb clubs, both of Lockport.

The committee on reservations are Mrs. Wm. Ziesemer and Mrs. George Stellington; registration, Mrs. Beulah Raeside and Mrs. Ralph Green; and in charge of decorations, Mrs. Wm. Drake, Mrs. Reed Burch and Mrs. Frank Loucks.

The last meeting of the year, June 5 will be further discussed at the May 29 meeting held at the home of Mrs. E. E. Dinger, 173rd and Oleander ave. Co-hostess will be Mrs. P. J. Whitcomb.

### Orland Methodist Church Scene Of Tomlinson-Sayers Wedding

The Orland Park Methodist church was the scene April 28 of the wedding of Shirley Tomlinson and Kenneth Sayers of Orland Park. The ceremony was a candle light, double ring service at 6:30 o'clock with the Rev. Robert Plastow officiating.

The chancel was decorated with bouquets of white gladiolas and lighted tapers at each window.

Mrs. Alma Rauch presided at the organ and accompanied the singer when he sang "The Lord's Prayer" and "Because."

The bride is the daughter of Mr. and Mrs. Guy Tomlinson of Chicago, formerly of Tinley Park, and the groom's parents are Mr. and Mrs. Earl Sayers of 167th st., Orland Park.

Given in marriage by her father, the bride wore a floor length gown of white applied chiffon over white satin. Her finger tip veil fell from a tiara of net and sequins. She carried a corsage of white orchids, lilies of the valley and carnations.

Miss Frances Swanson of Midlothian was maid of honor, with Mrs. Dorothy Kainrath of Chicago, sister of the bride, as bridesmaid. They each wore green chiffon gowns and carried white carnations. Laura Rogers, niece of the groom was flower

girl. She wore a dress of Nile green chiffon and carried a basket of white and pink carnations.

Kenneth Rauch of Orland Park was best man. Ushers were William Mautsch, brother of the groom, Elmer Rogers and James Tomlinson. Richard Tomlinson, of Tinley Park, nephew of the bride, was ring bearer and carried the rings on a white satin pillow. The men of the bridal party each had a boutonniere of white carnations.

The bride's mother wore a pink print dress and the groom's mother had a navy blue print dress. Each wore an orchid corsage. Mr. and Mrs. Frank Sayers, grandparents of the groom, were also present. She had a white carnation corsage and he a boutonniere of the same flower.

Following the ceremony a reception was held in the church parlors where a buffet dinner was served to over 100 guests. The tables were decorated with flowers and lighted tapers and the bride table was centered with a four tiered wedding cake.

The new Mr. and Mrs. Sayers left for Gatesville, Texas where he is stationed with the army at Ft. Hood. The bride traveled in a navy blue dress and wore a pink corsage.

### PTG Installs New Officers

The regular meeting of the Lincoln-Way Parent-Teachers Group was held on Wednesday evening of last week at the school. The session was called to order by Mrs. Herbert Folkers, the president, who installed the new officers.

The new officers are: Mrs. Clarence Lauffer, Mokena, president; Loren Schleeter, Manhattan, first vice president; Mrs. Glenn Batson, Manhattan, second vice president; Mrs. Don Anderson, New Lenox, secretary and Glenn Schroeder, Frankfort treasurer.

Representatives on the PTG board are: Mrs. Clarence Wise, New Lenox; Mrs. Harry Miller, Frankfort; Mrs. Thomas Hull, Mokena; Mrs. Wilbur Francis, Manhattan; Mrs. H. C. Elsworth, Lincoln Estates and Robert Van Rhreeden, a member of the Lincoln-Way faculty.

A. Hunter Chapman, principal of the school, announced the Senior Prom and banquet will be held the night of May 18; senior class Honor Night is set for June 1, and commencement June 5.

Mr. Chapman also addressed the group on the necessity of a tax increase to enable the school to meet operating expenses. The tax increase will be voted on at a special school election scheduled for June 16.

Entertainment at the PTG meeting last week was provided

ed by students from the home-making department under the direction of its head, Mrs. Florence Butler. Refreshments were served by Mr. and Mrs. Al Hochberger and their committee.

National PTA  
Official Installs  
Tinley Park Staff

Tinley Park Parent Teacher Association was honored last Friday evening in having the national PTA membership chair man, Mrs. Jack Greig as install- ing officer.

The delegates to the Illinois state convention held recently in Peoria, presented brief resumes of conferences and workshops they attended. An enthusiastic approach to the 1956-57 year ahead was apparent as the of- ficers-elect were installed.

Mrs. Donald Hollingshead, president, presented the two year past president's pin to Mrs. P. L. Jochum, retiring officer, after accepting the beautiful black walnut gavel as her au- thoritative sign of office.

A compilation of all chairman reports was presented in the annual president's report. The annual treasurer's report was also presented.

A panel of four faculty mem- bers of Bremen Community high school discussed the extra curricular activities available at the school.

Hostesses for the evening were mothers of first grade stu- dents.

**'Secret of the Sea' Theme of Bremen Junior-Senior Prom**  
The Bremen Community high school junior class sponsored by Miss Reta Halderson is working on final plans for the Junior-Senior Prom to be held Satur- day, May 12, at 9 p. m. in the school gymnasium.

The theme this year is "Se- cret of the Sea."

**Coopers Grove Mothers Sponsor Milk Program**  
Fourteen members of the Coopers Grove school Mother's club met May 3 for the final meeting of this season. Richard Harding and LeRoy Simmons, school board members, were guests. After discussion the club voted to sponsor the school milk program next year.

A school picnic is planned for June 5. Mothers and pre- school children will be guests for the fun and refreshments.

Hostesses were Mrs. James Panici and Mrs. Donald Ander- son. Award of the evening was presented to Mrs. Leslie Younk- er.

Church Group to  
Have Skating Party  
At Tinley Rink

Ambassadors For Christ an- nounce "Spring-Time Skate" the highlight of their May schedule of activities of several hundred young people from a score of churches located on Chicago's south side and adjoining suburbs.

"Spring-Time Skate" is the title chosen for the Ambassa- dors' Roller Skating party to be held tonight, May 10th, at the Tinley roller rink, 17658 Oak Park Ave., Tinley Park. Begin- ning at 8:00 and continuing un- til 11 p.m., the program includes three hours of skating and fea- tures planned to interest those present.

Pancake Day Sat.

Federal Aid for School too Costly

There are many persons—too many in fact—who suffer from the illusion that funds allocated to local projects by taxing bodies, particularly the state or federal government, are free.

Apparently they believe that the money materializes from thin air or is a gift of the fairies or elves. And surely anyone who believes they are getting some- thing for nothing when they re- ceive a government handout shouldn't have any difficulty in accepting the existence of elves and fairies.

The "something-for-nothing- boys" as the grant-seekers are frequently called under circum- stances that prevent the use of more vigorous terms, should be taught that government grants have but one source—taxes.

The "something-for-nothing- boys" whose clamor for federal aid for school construction has resulted in bills having been drawn up to legalize such a raid on the treasury, would do well

period would be \$42,285,000.

Under this set up Illinois tax- payers would pay \$2.05 in fed- eral taxes plus \$2 in matching funds, or a total of \$4.05 for each \$1 of federal "aid."

Not only would such a pro- gram be costly and reduce still further any chances of reduc- tion of federal taxes by the amount of money appropriated for it but it would also result in the creation of additional bureaucrats to stick their noses into the business of local school districts.

Let's not sell all our rights.

## MOKENA

Mrs. W. H. Pitman, Wolf road is confined to her home with a serious infection of the gall bladder. He daughter, Mrs. William Schmidt of Chicago and Mrs. Standley Piper of Grant Park have been helping to care for her.

Mr. and Mrs. George Devlin and children spent last Sunday at Brookfield zoo.

The guild of St. John's church will meet Thursday afternoon, May 17 in the church. Mrs. Edward Akers will be in charge of the devotions which will be entitled, "Committed to worship regularly." A motion picture will be shown by the Rev. William Riemann entitled "At Home with God." The following will be hostesses: Mesdames, Wesley Cappel, chairman, Rudolph Englhardt, George Evans, Peter Homering, Henry Lawrence, Willard Martie, Henry Shevlin, Adolph Steen and Charles Swanberg.

The WSCS of the Methodist

Mrs. Jessie Sipple. Each member church will meet today with her is asked to bring something for the traveling basket.

The Evening circle of the WSCS of the Methodist church will meet with Mrs. Harvey Mann Friday evening.

The Auxiliary to the William Martin VFW post met last Thursday, with the new president, Mrs. Gordon Doctor in charge. The auxiliary will observe Poppy day Thursday, May 24 with Mrs. Floyd Williams appointed chairman of the sale of poppies and the workers. She asks that as many members as possible assist in the sale that day.

Mrs. David McMillan was named chairman of the refreshment committee to serve refreshments at the Firemen's dance to be held in the VFW hall this Saturday, May 12.

Mrs. Earl Moss, child welfare chairman requests all members to turn in their penny banks at the next meeting.

The members voted to send \$15 to the Mother's day cigarette fund. Each year cigarettes are sent to hospitalized veterans on Mother's Day by the auxiliaries.

A request was made that all members take part in the Memorial day service that will be held in the VFW hall.

Appointed on the committee to sponsor the card party on May 26 were Mrs. William Schmidt, chairman, assisted by Mrs. Dorothy Beringer, Mrs. Peter Homering, Mrs. Russell Stankus and Mrs. Glenn Peterson.

Fred Brown who underwent major surgery several months ago will enter Silver Cross hospital today to undergo surgery again Friday morning. He is improving quite nicely from the previous operation. His daughter Mrs. Ruth White of Austin, Texas, is here helping to care for him.

Mr. and Mrs. Harry Henderson of Joliet visited with Mrs. Clida Deadmore last Friday. Mrs. Henderson, the former Lydia Mau was born in Mokena. Her husband is recovering from a broken leg sustained over a year ago. He has been a patient in the veteran's hospital in Dwight.

Mrs. Catherine Horras who underwent surgery in the Presbyterian hospital in Chicago last week was taken to the home of her daughter, Mrs. Marie Schoenke at Worth, Tuesday. She is expected to be brought to her home in Mokena Friday. She is improving nicely.

## Veterans of Foreign Wars, Bremen Post, Holds Installation

The VFW post at Tinley Park is all set now to begin its new year. The officers have been installed and everything is in readiness they say for a busy time ahead. The new officers pictured here are, left to right, (seated) William Houle, adjutant; George Palmer, senior vice commander; Jeff Pennington, commander, Ray Sullivan, junior vice commander and William Hill, officer of the day; (standing) Robert Smith, drill sergeant; Mike Haber, publicity; John Hartmann, William Nagel, trustees; Robert Snider, legislative officer; Charles Wolfe, chaplain; Roger Sutton, judge advocate; L. D. Maxwell, service officer and Harold Moore, trustee. (P. Leland Photo).

## Natl. Tea Sales Show Big Gains

H. V. McNamara, president and chief executive officer, National Tea Co., today announced that the company's sales for the first 16 weeks of 1956 surpassed the company's sales of the same period of 1955 by \$13,541,444. This is a 7.92 per cent increase over a year ago when consolidated sales amounted to \$170,943,731.

National Tea Co. consolidated sales for the fourth four-week period, ending April 21, 1956, were \$46,591,294 as compared with \$43,048,256 for the same period of 1955, or an increase of 8.23 per cent.

Although the rate of increase for the first few weeks of 1956 did not come up to the average of last year, the sales trend is definitely on the increase, and McNamara stated the company expects soon to reach and maintain last year's \$1 million per week increase. This will give National Tea Co. more than \$625 million in sales for the year 1956, which is a gain of about 9 per cent over 1955.

Thus far this year, the com-

### GREEN GARDEN

Mrs. Katharine Heiser  
Frankfort 4902

The Youth Fellowship of the St. John's Evangelical and Reformed church of North Peotone entertained the youth group of St. Paul's Evangelical church of Peotone Sunday afternoon. Mrs. Mabel Dankers of Kankakee and the English teacher of Peotone high school were the speakers. After the program a fellowship hour was enjoyed followed by refreshments.

Monday evening the St. Johns Youth group held a meeting in the church parlors.

The Green Garden Home Bureau unit will meet with Mrs. Elmer Morrison this Friday afternoon. Mrs. Ruth Mozzi, home advisor, will give the major lesson. Arrangements of twigs, shrubs and flowers. The minor lesson, Know your Home Bureau, will be given by Mrs. Harold Scheer.

Mr. and Mrs. Henry Kuse, Mr. and Mrs. Christ Hentsch and Miss Sylvia Bode of Tinley Park and Laverell Cowger of Beecher spent Thursday evening at the O Henry ballroom at Willow Springs in honor of the former's birthday anniversary.

The Youth Fellowship met last Wednesday evening in the Methodist church with 17 present. Following a pot luck supper a business meeting was held. Officers elected were: president, Beverly Bettenhausen; vice president, Stanley Johnson; secretary, Kathryn Ullrich; treasurer, Donald Hoffman; also the following committee: chairmen: worship, Janet Johnson; Christian outreach, JoAnn Burmeister; missions, Lyle Bettenhausen; community work, Norma Burmeister; recreation, Roger Ullrich and reporter, Ronald Steinberg.

A group of friends who met in the members' homes once a month, gathered Sunday evening in the Methodist parsonage with the Rev. and Mrs. John B. Vautrin. There were 17 present who came from Ottawa, Chicago, Joliet, Kankakee and Morris.

(The Holy Eucharist, communion, at 11:15 on the second Sunday in each month)  
Daily, Morning Prayer, 8:00.  
Evening Prayer, 6:30.  
Holy Days: Morning Prayer and Ante-Communion 9:00.

### ORLAND PARK

Mrs. Sherman Knox  
Orland Park: Fieldbrook 9-0211

#### CARD OF THANKS

Many thanks to all my friends and relatives for the cards, gifts and plants sent to me during my illness in the hospital and since I have returned home; also for the lovely birthday cards.

MRS. JOHN RAUCH

#### CARD OF THANKS

We wish to thank our friends, neighbors and relatives for their many acts of kindness and sympathy extended to us at the time of death of our husband and father, Peter Homerding; also for the beautiful floral offerings and to the Rev. Stanley Rudecki for his kindness.

MRS. PETER HOMERDING and Family

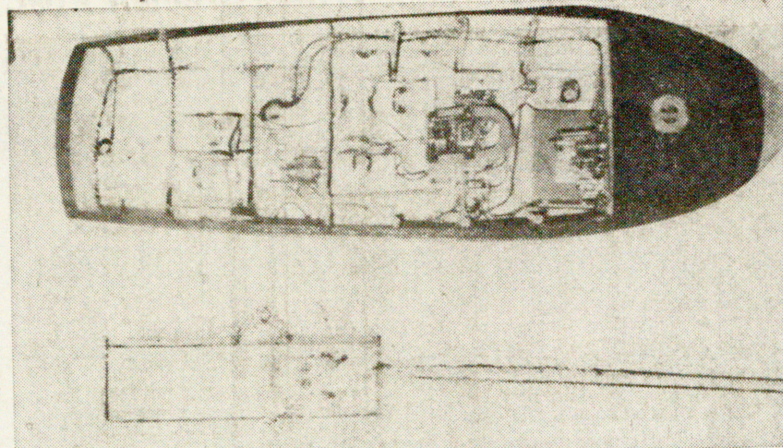

As a reminder for members of the Orland Park Woman's club who wish to help make dressings for the "loan" shelf of the South Suburban area of the Cancer society, bring thimble and needle, also any white muslin cloth, sheets, pillow cases, white shirts in the discard stage, Tuesday, May 22 to the home of Mrs. Harry Phil and 108th ave., at 10 a.m. The Mother and Daughter banquet of the Methodist church will be held Thursday, May 17 in the church dining room beginning at 6:30 p.m. Those not having a mother or daughter living in the community may bring a friend. The Methodist men will serve. Reservations are to be made by calling Mrs. Roy Loebe at FI 9-0086. As seating capacity is limited, it is necessary to call soon.

Mrs. Jerry Eckert who underwent emergency appendectomy in Silver Cross hospital, is convalescing nicely at home.

The Rev. and Mrs. Adolph Lach have been visiting relatives in Orlando, Fla. for the past two weeks.

A rummage sale will be held

### Operates Model Boat by Radio

18-year-old Daniel Maciukenas, of Tinley Park, a senior at Bremen high, makes model boats and planes which he operates by radio waves. Pictured above is his latest model boat, a cruiser, and below it is the device with which he sends out the air waves which start, stop and guide the boat. The picture was made before Dan completed the superstructure for the craft.

in the Orland Park Methodist church social rooms May 24 at 9 a. m.

Mrs. Oscar Farr who has been ill in the home of her son Richard for the past three months, left last week to convalesce at the home of another son in Milwaukee, Wis.

The Jim Pomeroy Jr. family have moved to Los Angeles, Calif. thru a change in employment.

Ray Helad has returned from a three week's vacation in Florida.

Mrs. George Estand entertained at a family party Saturday evening in honor of her husband's birthday.

Mr. and Mrs. Edward Mell were among those from Orland Park who made the tour last week Sunday at Manteno State hospital. Mrs. Mell is also a volunteer worker at the hospital with the women from Orland. She was assisting in caring for children while their parents were on tour.

Francis Heiting, son of Mr. and Mrs. William Heiting of Homewood, was confirmed April 29 in St. Joseph church in Homewood. Grandparents, Mr. and Mrs. Harry Heiting of Orland attended the service and were among the guests at dinner served in the Heiting home after the services.

Ann Marie, daughter of Mr. and Mrs. Richard Ahlrep celebrated her first birthday April 26 with a party attended by 25 relatives.

Miss Iona Enders entertained her sisters, Lilah Bertleson, Bernice Lauer, Phyllis Schrank, sister-in-law Florence Enders and aunts, Hattie Hulett and Miss Rose Enders at dinner Sunday at the Spinning Wheel, in honor of her birthday.

## Oak Lawn Beats Sandburg, Bremen By Ample Margin in Track Meet

In winning only one first place, the Bremen high varsity track squad finished third in a triangular meet at Oak Lawn Friday afternoon, May 4.

Oak Lawn headed the field by ringing up 71 points and was followed by Carl Sandburg with 44 and Bremen, 32 1/2.

Matt Stupak scored the Braves' sole first in the broad jump as he leaped 16 feet and 9 1/2 inches. Stupak also took second in the

## Will Present Bowling Awards To Tinley Teens

In conjunction with Youth Week, trophies will be awarded to members of the Tinley Park Teen club bowling teams at a banquet to be held Wednesday, May 16 in a restaurant at 175th and Western ave.

The league will be presented with 25 trophies won during the bowling season as members of a sanctioned American Junior Bowling Congress.

Three teams which were sponsored by the Veterans of Foreign Wars, Bremen Post 2791, will also receive trophies won in the 11th annual mailographic handicap tournament held March 24.

The 3,734 teams entered in this tournament were made up of teams in 44 states, also Alaska, Canada, Hawaii, and Germany. Two of the Tinley Park Teen club teams placed 92nd and 123rd. One member was proclaimed national individual champion. Tom Jeffers scored the highest number of individual points by bowling 249, 178, and 195 for a total of 622 in three games.

Joe McCarthy, director of the Tinley Park Teen club, has requested members to start Youth Week, Sunday, May 13, by attending the church of their faith.

Other sport activities of the club includes baseball and rifle range. The girls softball team which practices Mondays and Wednesday evenings in Memorial Park, won second place last year in the south Cook County league. The rifle group meets Wednesday evenings in the village firehouse.

## Tinley Tigers To Play First Game Sunday

The Tinley Park Sportsmen's club ball team will open its 1956 campaign Sunday, May 13, against Oak Forest A. C.'s at Oak Forest. The game will be played on the VFW field near the Rock Island station and is scheduled to begin at 2:30.

The game Sunday will give Eric "Moose" Nasebandt, manager of the Tinley Tigers, an opportunity to test out his talent before play starts in league competition May 20.

Bruce "Spike" Cleator, will start the game for Tinley and Nasebandt is high on this portender. While on the mound staff for Bloom varsity, Cleator turned in two no-hit performances.

Because of adverse weather conditions the Moose has not been able to put his charges thru as much drill as he would have liked but takes comfort from the thought that all of the teams his men will face have been under a similar handicap.

It is expected that a delegation of Tinley fans will accompany the Tigers to Oak Forest Sunday.

**Tinley Cherry Pickers' League**  
April 29

## Evergreen Tilt Close; Braves Pile Up Score

The Knights bowed to the Evergreen Park Mustangs, 5-4, and to the Bremen Braves, 9-2 last week. These games were played at L-W and were the second games played by E-P and Bremen against Lincoln-Way.

L-W did fairly well in the line of his in the Evergreen Park game, inasmuch as they had eight hits against Evergreen's five. The only thing wrong with this was that the Mustangs had five runs for their five hits while the Knights had only four for eight. All the runs in this game wenty enough, the Braves scored two more runs. Lincoln-Way was unable to add to its count in the final inning.

For the Knights, Ed Woodward, the catcher, hit a triple in the third with nobody on base, and a double in the seventh driving in the third run.

The winning pitcher in this game was Dapkus, the losing pitcher, Wheeler.

**Box Scores:**

## Bremen Track Team Winner in Triangular Meet

The Bremen high frosh-soph thinclads topped the Carl Sandburg and Oak Lawn speedsters in a triangular meet at Oak Lawn Friday afternoon, May 4.

Piling up 55 1/2 points on seven firsts, the Braves bested Carl Sandburg and Oak Lawn who scored 44 and 37 1/2 tallies respectively.

Ron Caffrey led the Bremenites to victory as he copped first places in the 100 and 220 and was anchor man on the 880 relay team.

Teammate Ron Wolf contributed an outstanding effort in the low hurdles and ran on the winning mile and 880 relay squads.

Other firsts were garnered by Bob Yaniles in the shot put and Pat Sorenson in the broad jump.

Members of the 880 relay team besides Caffrey and Wolf were Art Bond and Dave Palmer. Setting the pace for the mile were Ron Koning, Tom Landeck, Ron Wolf and Pat Sorenson.

## FRANKFORT

Mrs. Katharine Heisner  
Frankfort 4902

Mr. and Mrs. John Schilling and Eleanor, Mr. and Mrs. Arthur Schilling and Mr. and Mrs. Howard Bell attended the wedding and reception of the former's niece, Miss Norma Christian daughter of Mr. and Mrs. Alfred Christian of Algonquin, who became the bride of Clifton Peterson Sunday afternoon at services held in the St. John Lutheran church at Algonquin.

Suzanne Janet was the name given the infant daughter of Mr. and Mrs. George Baranowski, when baptized Sunday morning in St. Mary's church in Mokena by Father Cecil. Sponsors were Mrs. Conrad Pawlowski and Ted Bogdan. Later a dinner was served in the baby's grandparents home, the Alois Bogdans with whom they make their home. Guests were the Ted Bogdan family of New Lenox, the Conrad Pawlowski family, Park Ridge; also Mr. and Mrs. Joseph Baranowski, Mrs. Ann Baranowski both of Tinley Park, and Mrs. Robert Bachara and daughters of Tinley Park.

The annual mother-daughter banquet of the Methodist church was held last Thursday evening in the parlors of St. Peter's Evangelical church. Mrs. Norman Krapf presided as toastmistress. The Grace was given by all in a song. Mrs. Stuart Vanderbilt, president of the WSCS, gave the address of welcome. Mrs. Arnold Landeck, Sr., responded in behalf of the mothers. Mrs. Krapf led the singing and a reading was given by Lora Lynn Bettenhausen.

Mrs. Wesley Bettenhausen read "A Mothers Creed"; Nancy Steinberg gave a recitation, "My Mother" and Mrs. David Dralle recited "His Mother". Diana Bettenhausen sang a solo "My Mom."

Honors were presented to Mrs. Anna Whorral, 85, oldest mother present; to Mrs. Richard McHugh, most recent mother; to the mother with most daughters present, was a tie as Mrs. Ralph Dralle and Mrs. Fred Diment each had three daughters present.

Mrs. Fred Bettenhausen read the poem, "The Unknown Mother" and Mrs. William C. Bettenhausen Jr. recited "Mothers Prayer."

Mrs. Pauline Esdale of Chicago was the speaker using as her topic, "Magic Hour of Music." The program ended with all singing a goodnight song.

There will be a Missions workshop at Plainfield next Sunday at 7:45 pm. sponsored by the Methodist churches. The Rev. and Mrs. Harry Harwood will be the directors. They were in Burma for 30 years as mission-

aries. A motion picture will be shown. Those planning to attend should contact Mrs. Katherine Heisner.

Vivienne Eisenbrandt, president of the Honey Bees 4-H club presided at their meeting Friday. All officers gave their reports. Demonstrations were given by Judy Abbott, Nancy Smith and Ann Cummings.

The fourth grade pupils of the public school with their teacher, Mrs. George Love and Mrs. Edmund Ebert, room mother, will go to Brookfield zoo Tuesday, May 15.

Miss Viola Lankenau and Le Roy Wright will accompany the 8th grade pupils on their field day, Wednesday, May 16 to Chicago where they will visit the Chicago Art Museum and the Historical Center. Mrs. Marion Bell is their room mother.

Friday, May 18, the first and second graders with their teacher, Mrs. Lawrence Woodman and Miss Isabelle Harmening and room mothers Mrs. Scherril Rahm and Mrs. Glenn Schroeder will have a field trip to Brookfield zoo.

The public school commencement exercises will be held at the school gym Friday evening, May 25.

The annual alumni banquet date is set for Saturday, May 26.

The Women's Guild of St. Peter's church held their annual mother-daughter banquet Friday evening in the church parlors with Mrs. Clark Bennett as toastmistress.

Mrs. Burton Breidert gave the invocation; Mrs. Gilbert Voss, president, gave the welcome; Mrs. Robert Trump spoke in behalf of the mothers, and Miss JoAnne Hansen responded for the daughters.

Honors were awarded to Mrs. Minnie Klepper, being the oldest Guild member; Mrs. Minnie Triem, Monee, oldest mother present; Mrs. Dale Krohn, youngest mother under 30 with 3 children; Unknown mother, Mrs. Scherril Rahm and to Susie Thoresen, little girl with the most teeth missing.

Special speaker was Mrs. Pauline Esdale of Chicago. The program closed with the group singing "Blest Be the Tie That Binds."

Robert Bizer of Sycamore spent the week end with his parents, Rev. and Mrs. Bizer.

The Rev. and Mrs. Arnold Bizer of Arthur, were guests of his parents, the Rev. Bizer's Friday night, Mrs. A. Bizer attended the mother-daughter banquet Friday night in St. Peter's church.

All mothers are invited to visit the Sunday school classes, in the St. Peter's church, next Sunday morning, Mother's Day. They will be entertained by the classes of which their children are members.

The Rev. Mr. Bizer attended

a ministerial meeting Monday in the Evangelical hospital in Chicago.

Mrs. Gordon Telfer of Morris spent several days this week with her daughter, Mrs. Ben Day and family, and attended the Mother-daughter banquet of the Methodist church Tuesday night.

Mrs. Minnie Klepper was honored Sunday afternoon when relatives gathered in her home to help her celebrate her 87th birthday. Guests were Mrs. Joe Baker, her sister, Mrs. William Schram and Mrs. Gilbert Voss all of Manhattan; Mrs. Alvin Brueggeman, Green, Garden; Mrs. Roy Hoffman, Mrs. Harry Brueggeman, Mrs. Louis Brueggeman and daughter Elieen, Joliet; Mrs. Bertha Klepper and Mrs. Herbert Lambrecht. A social afternoon was enjoyed, followed with refreshments. Mrs. Klepper received many nice gifts.

The Joliet sub-district Methodist ministers meeting will be held in the Frankfort Methodist church Friday at 10:30 a. m. The Rev. Ben Day is chairman of group. Bishop Odd Hagen of Sweden will be speaker. He came to this country as a delegate to the Bishop's general conference in Minneapolis, Minn. which has just closed.

Mr. and Mrs. Robert Van Rheeden and family attended the senior high school play at St. Anne, Friday night, Sunday afternoon they visited with Mr. and Mrs. Manford Harmon at La Grange.

Dr. and Mrs. Hedges and Mr. and Mrs. Fred Heusner were Sunday evening dinner guests of Mr. and Mrs. Glenn Folkers in Joliet.

A group of WSCS members of the Methodist church attended a breakfast in Peotone Methodist church Wednesday morning given by the Peotone WSCS. Mrs. A. E. Bomberg, a missionary in India for 14 years and now jurisdictional secretary of the missionary personnel, was the speaker.

Burton Breidert has been a medical patient in Silver Cross hospital the past week.

### WSCS NEWS

Dessert coffee was served to 24 members of the Frankfort Methodist Woman's Society of Christian Service when they held their May meeting Thursday afternoon at 1:15. Hostesses were Mrs. Charles Bell, Mrs. Marion Bell and Mrs. Walter Grotebold.

The business meeting was called to order by President Mrs. Jake Hostert. Plans were discussed for a smorgasbord to be given Tuesday, May 22. Serving will start at 5 pm. and continue until every one is served.

An invitation was received from the Peotone Woman's society to attend a breakfast given by them in the Peotone Methodist church at 9 am., May 9.

Executive board will meet Tuesday at 1:30 pm. May 15 in the home of Mrs. Walter Grotebold. This meeting is called especially for the purpose of preparing the quarterly reports.

Friday, May 18 at 8 pm. will be an organizational meeting for the evening circle in the church.

Officers were elected for the coming year, and with two exceptions, Mrs. John Reed and Mrs. Lloyd Heisner, they are the same as last year. The program for the day was in the form of commencement exercises, when each officer gave her annual report.

A candle light installation ceremony was conducted for the new officers by the Rev. Ben Day. The ceremony closed with a Friendship circle with all members participating and singing "Bless Be the Tie that Binds." The new officers are:

President, Mrs. Jake Hostert; vice president, Mrs. Wendell Morrison; recording secretary, Mrs. Walter Grotebold; treasurer, Mrs. Frank Heisner.

The following secretaries were also elected, Secretary of Promotion, Mrs. Katharine Heisner; Spiritual Life, Mrs. Walter Carlson; Missionary, Mrs. Albert Swatek; Christian Social Relations and Local Church Activities, Mrs. Marion Bell; Youth Work, Mrs. Harry Miller; Supply Work, Mrs. Thomas Williams; Status of Women, Mrs. Marie Bettenhausen; Literature, Mrs. Lilly Hirschbach; Student work, Mrs. Clinton Mark; Children's Work, Mrs. Roderick Rainford.

banquet Tuesday night in the Methodist church parlors, sponsored by the Women's Society of Christian Service.

Dinner was served at 6:30 at 15 tables covered with white cloths and centered with shallow bowl vases of yellow daffodils and narcissus. Dainty nut cup favors in green and yellow decorated each place. Mrs. Roy Dowle was chairman of the decorations.

Clara Chapman gave the invocation and her mother, Mrs. A. Hunter Chapman was toastmistress.

Following the dinner, all went upstairs for the program, of which Mrs. George Martin was chairman. Group singing was led by Mrs. Martin. Mrs. O. V. Rowe gave the welcome to the daughters, and Prudy Rowe responded. Mrs. Ernest Oram gave a toast to the daughters, with Jane Oram responding. Gifts were presented to the oldest mother with her daughter present, Mrs. Anna Lorenzen, and her daughter Mrs. Ann Townsend; to the mother of the youngest daughter present, Mrs. Shirley Cress; to the daughters who had the most grand mothers, Jean and Jill Vally; and to the mother with the most daughters present, Mrs. Gerald Shreffer with her three girls.

The Life of a Girl was portrayed with 17 living pictures, with appropriate readings and music for each picture. A hymn closed the program.

Miss Carol Crouse has returned Saturday from Billings hospital in Chicago where she completed a series of everyday treatment on her eye, following surgery. She returned to her studies at Lincoln-Way high where she is a sophomore. She will go to Billings once each week for further treatment to her eye.

Members of the Holy Name Society of St. Jude's Catholic church met Tuesday night in the parish hall.

Mr. and Mrs. Llew Eggers, Mrs. Walter Spiess and Mrs. Alexander Freyer motored to Beecher Thursday night, May 3, and attended the Eastern Will county division of the Will Co. Parent Teacher association.

The name of Miss Shelby Jean Brown who will be one of Miss Patricia Knowles' bridesmaids at her wedding May 12, was accidentally omitted from the wedding announcement in last week's issue of this paper.

Ten members of the local Garden club enjoyed a tour May 3, of the Botanical Gardens at Elgin. After luncheon at the Mills Race Run, they visited the Moran greenhouses.

Members of the VFW Post 9545 met May 3 in the fire station, with Richard McCarthy, commander in charge. They planned to have another Clean up Day next Sunday, May 13, where they will work all day, cleaning off the new park site property they recently purchased. All wanting to help are welcome. There will be free food, pop and coffee served to all workers. It was planned to hold Poppy Day in New Lenox May 19, the same day as Joliet will observe it. Invitations will be sent to all clubs and organizations who would like to march in the Memorial Day parade.

The New Lenox Volunteer Fire department will meet this evening, May 10, in the fire station.

The Neighborhood association of Girl Scouting will meet today, May 10 in the Methodist church for their regular monthly meeting. Plans will be made for day camping.

Mrs. Bert White arrived here today from her home in Iowa City, Iowa to spend a few days with her son, Mr. and Mrs. Wayne Chesmore.

### Home Bureau

The April meeting of the New Lenox Home Bureau was entertained at the home of Mrs. Philbin Trieme with Mrs. Ed Stevens assisting. Dessert-coffee was served. The home advisor, Mrs. Ruth Mozzi gave the lesson on flower arrangements; Mrs. Davis Gougar gave a lesson on program planning. The May meeting will be held a day earlier on Thursday May 24, so the members can attend the Membership tea that is to be held on the regular 4th Friday.

Mr. and Mrs. Arthur Reckemer and son Mickey accompanied by her parents, Mr. and Mrs. Paul Passmore, spent a few days last week in Cadillac, Mich., with Mr. Passmore's father, Ralph Passmore and other relatives.

Sixteen members and five guests of the Woman's League of Trinity Lutheran church toured the Old Folks Home at Arlington Heights recently. Mrs. Chester Bowman, president of the league announced that the next meeting would be a bring an apron meeting. The League will sponsor a bakery sale May 12 beginning at 10 a.m. in the local library.

Girl Scout Troop 97 Scout troop 97 met at the home of their leader, Mrs. John Olson last Wednesday. Mary Ann Sampson was elected vice president. A "flash party" to be held at the YMCA in Joliet was planned for May 19, from 8:30 to 9:30 p.m. Troop camping for June 11 and 12 was also discussed. The girls are now selling Girl Scout peanuts, and any one wanting them, who has not yet been contacted, are asked to call either Mrs. Olson 2282, or Mrs. Harry Huss, 6234. Lynetta Gillette was hostess and served refreshments. Gayle Huss was appointed hostess for the next meeting this week.

On Sunday, May 13 at 5:30, the young people of Grace Episcopal church will be host to the young people from St. Pauls

church, Manhattan: St. Edwards of Joliet; and St. Johns of Lockport, for a picnic on the parish grounds, to be followed by a skating party at Lockport. Evening prayer will be read at 5:30 p.m. Each young person is asked to bring his sandwiches. The cost of skating will be \$1.00 including skates. Those wanting a ride are asked to contact Father Mooney, and he will see that all get home safely. Age limit is 13 years up.

SP 3-c and Mrs. William Knipple and daughter Kathleen of Neosha, Mo., arrived here Monday morning to spend a 10 day leave with their parents, Mr. and Mrs. Edmund Knowles and family, and Mr. and Mrs. Roland Knipple and family, and while here will participate in the wedding May 12, of Miss Patricia Knowles, sister of Mrs. Knipple.

Mrs. Ernest Pfeiffer will entertain the Amite Sewing club of Frankfort in her home on Haines ave., at their social meeting Tuesday night, May 15, 15.

St. Jude's Catholic church is cooperating with the annual Red Cross Learn to Swim program to be held at both Nowell Park and Chaney pools during July and August.

The Hi-Teens club of St. Jude's will meet this evening at 8 o'clock in the parish hall. Lewis Loeb served as Toastmaster at the ladies night dinner meeting of the New Lenox Toastmasters club No. 800, held recently at the New Lenox Methodist church. Stanley Gilmore was topicmaster; and speakers who competed were Sheldon Hauck, Melvin Schroeder, Lowell Webb and Ronald Whitaker. Serving as evaluators were, William Clark, Elmer Lawler, Kenneth Tauber and the Rev. Michael Mooney. The master evaluator was Lloyd Brown. Elias Brown gave the invocation, and benediction, and Ernest Hoefer was timekeeper.

Mr. and Mrs. Erwin Yunker and children of Orland Park spent Sunday with her parents, Mr. and Mrs. Emil Reckemer. Mr. and Mrs. Earl Schroeder and family had as their dinner guests Sunday, John Macklin and Mr. and Mrs. Bernard Wilda and daughter.

The Women's Guild of Grace Episcopal church will meet at the home of Mrs. Frances Regan this evening, May 10 at 8 o'clock. Mrs. Sam Carr will be co-hostess.

Katherine Orey, small daughter of Mr. and Mrs. Michael Orey, Ogden road, was the honored guest Sunday afternoon at a party honoring her third birthday anniversary. Miss Frances Reilly of Chicago assisted Mrs. Orey. Games were played and prizes were awarded to the winners and refreshments were served from a table centered with a decorated birthday cake.

Guests were Maureen, Mary Frances, Georgene and Roberta Schofield; Carolyn, Billy and Cheryl Clark; Billy, Susan and Wendy Wienke; Mark and Christine Mursky; Billy Hepting and Teri Morse.

Mrs. Fannie Ormand of Decatur and Mr. and Mrs. Melvin Kohlhaugen of Rockford spent the weekend with Mr. and Mrs. Peter Sinclair.

## PAYS FEDERAL TAX BILL, GETS BUSINESS BACK

(Community News Service)

The owner of a Posen machine shop worth \$900,000 with equipment, seized as security for \$1,881.82 in withholding taxes, penalties, and interest has paid up and got his business back.

Edward Kozik, 122 West 150th street, Harvey, paid this amount to extinguish his original 1954 debt of \$1,748.21, and secured release of the levy whereby the government threatened to sell his shop at 2739 West 139th street, Posen.

A south sider whose home and west side motor trucking business was seized made a partial payment of \$3,400 to obtain release of his eight trucks, valued at this amount, so he could carry on his business. He is Angelo Loutos, 5745 Midway Park, who owed \$11,245 in withholding taxes for 1953 and 1955 and transportation tax for 1953-54.

possession of, altho he is still living in, the 2½-story stucco home with 2-car garage, worth \$22,000 with a \$10,000 mortgage, as well as the Loutos Motor Service garage at 841 West Polk street and a vacant lot across the street at 918 Polk.

The government still has legal

### HOMER

Lockport, R. 1  
Telephone Lockport 1387M

The Good Luck camp of Royal Neighbors will meet in the Homer church Thursday, May 16 with Mesdames Mary Welter, Helen Bremen, Ruth Ludwig and Margaret Dollinger as hostesses.

The Homer Woman's club was entertained in the home of Mrs. Charles Goss of Lockport Wednesday this week. Mrs. Harvey Ingersoll was the assisting hostess. The program was in charge of Mrs. F. J. Paddock and Mrs. Edward Daley.

Nine members and two guests attended the King's Daughters meeting in the church Thursday afternoon. Mrs. Robert Burch and Mrs. Robert Shepherd served dessert coffee. Mrs. Clara Cary led an interesting devotional with a Mother's Day theme. The county spring luncheon was announced to be held at Manhattan May 13. Send reservations to Mrs. Iola Storm.

On the morning of May 16, the women of the Missionary society will sponsor a breakfast and bakery sale at the Homer church, beginning at 9:30. Tickets will be available from several members. All ladies are warned that a fine will be charged should they dare to wear dress up duds. Your house apron is the thing.

Eighth graders from local schools were guests of LTHS Friday when Step Day was observed. In some schools the six year olds visited their school also.

Homer students on the honor roll at LTHS during the past six weeks were: Virginia Buck, Kathie Bier, Susanne Burcham, Randall Carrol, Cheryl Sass, Shirley Smith and Edwin Ter-munde.

Several Homer boys were prominent at the first annual

awards program and banquet of the Lockport chapter of FFA held in the cafeteria of LTHS. Stuart Reiter, president of the local chapter, was Master of ceremonies. Awards were presented to Don Cagwin, Bob Cagwin, Larry Burnworth and Irwin Ter-munde for outstanding livestock projects. Stuart Reiter also received the DeKalb Agricultural award for being highest in the Lockport chapter in scholarship, leadership and farming activities.

Mr. and Mrs. John Garra-brand and baby daughter returned from Florida Wednesday evening and are staying in the homes of their parents for a few weeks. John has recently received his discharge from the air force.

Ralph Ingersoll has been appointed custodian of Messenger woodlands.

Mrs. R. C. Storm spent Friday with her friend, Miss Grace Lynn in Lockport.

The 4H Country Champs met Wednesday evening, May 2 in the Burcham home with 10 members present. Edna Mae Burcham was chosen to represent this group at 4H camp with half her expenses to be paid by the Home Bureau, and Sandra Mickulas will go from the Country Champs with one-half expense paid by the 4H Federation. Talks and demonstrations were given and refreshments enjoyed. The next meeting will be in the Blazevich home.

On Thursday evening, May 17 the Prudential committee of Homer church will meet at 8 o'clock to plan the budget of the church for the coming fiscal year which begins June 1. All church officers and heads of affiliated groups should be present.

Mrs. Mildred Prince Behnke aged 32, of Creekwood subdivision in North Homer, died Saturday, April 28 in St. Joseph's hospital where she had been a patient for two weeks.

Funeral services were held at the Gerhartz funeral home, Lenox, Wednesday, with burial in Mt. Vernon Park Memorial cemetery.

She is survived by her husband, Arthur; three children, Susan, Joseph and Arthur; her mother, Mrs. Corelli Kuppinger and three brothers.

We humbly apologize to all concerned for last week's error in reporting the bridal show given by Miss Barbara Astrom. The guest of honor was Mary Lou Adelman, daughter of Mr. and Mrs. Charles Adelman, 147th st. who on May 26 will be come the bride of AT-3 Ralph Temple of Oconto Falls, Wis.

**COMING EVENTS**  
May 10 - Track Meet Joliet (T)  
May 10 - Baseball Sandburg (H)  
May 11 - Spring Music Concert 8 p.m.  
May 11 - Assembly at 1:30. Bob Voight  
May 16 - Track Meet Reavis (T)  
National Honor Society Meeting

**Assembly**  
Monday morning an unusual type of assembly program was scheduled for Lincoln-Way students. The Schmidts, Otto and Donna Lee, famous acrobats and tumbling artists, put on their show. Their acts consisted of tumbling and balancing, trampolines, weight lifting, and an original piano composition written and played by Otto. The latter was to demonstrate the fallacy of the belief that muscle men have neither brains nor culture.

The Schmidts have performed before numerous school assemblies and audiences all over the United States and in several foreign countries. They have just lately returned from a performing tour of the Caribbean area.

Recently they appeared on television as guests of Ed Sullivan. They are young people, both good looking and bubbling with personality. During the show Otto presented simple philosophies of living which have been helpful to them.

Small, 150 lbs. Otto is holder of several records for weight lifting and high diving. Donna Lee, the students were told, was a delicate child and up to the age of nine or ten was given little chance of living to adulthood. However, by good living habits and sheer perseverance, she has built herself into a healthy individual.

**About the Band**  
This is the first of a series of three articles on the seniors who will soon be leaving the Lincoln-Way band by graduation. Six members of the band will be leaving in June who, no

doubt, will be greatly missed next fall. Five of the six have been members since the band's beginning in June 1954 and have contributed a great deal to its success.

**LARRY CULLISON**, Larry, 17, is a charter member of the band. He is section leader of the French horns, secretary, student director for two years, and led the band as drum major during marching season. In addition to playing the French horn well, he plays the clarinet, cornet, piano, saxophone and organ.

In his freshman and sophomore years he attended high school in Metropolis, Tuscola and Lemont where he was also active in many organizations. Larry has won four division I medals for L-W in instrumental work in contests and added a fifth when the mixed vocal ensemble earned a Division I rating.

Spanish club, F.B.L.A., Foot-lighters, Boys Glee club and the National Honor society take a great deal of his time in addition to his college preparatory course and music.

He sings in the New Lenox Methodist church choir, plays the piano for the Sunday school. He has played in dance bands and is now a professional organist. He also is getting practical experience for his future vocation by assisting Mr. Taylor with the New Lenox grade school band.

Next year he hopes to enter Illinois Wesleyan School of Music and plans to be a musical director after graduation.

**DIANE BATSON**, Diane entered the Lincoln-Way band as a saxophone player when it was first formed. After a few months she began to take oboe lessons and play with the band. In contests she played in a saxophone quartet which received a Division II rating. This year she received two blue medals for Division I on an oboe solo and a woodwind trio.

She was elected first secretary of the band in her junior year and now serves as its vice president. Her other musical activities include playing the piano and teaching a beginning oboe student, as well as taking lessons from Mr. L. C. Bradley of Joliet.

She is president of the National Honor Society, Editor of the high school yearbook and a member of the Phi-Chem Association. Outside of school Diane teaches a Sunday School class at the New Lenox Methodist church.

Before entering Lincoln-Way she attended Joliet Township and participated in chorus there. She is enrolled in a college prep course and is planning to enter Beloit college in the fall.

**F. H. A. Elects Officers**  
The Junior-Senior chapter of the Future Homemakers of America met in the school gym on April 24 to elect officers for the 1956-57 school year. The newly-elected officers are: Karen Wade, president; Betty Lichtenwalter, vice president; Donna Rae Meyer, secretary; Darlene Wahl, treasurer; Sharon Nelson, parliamentarian; Penny Spiewak, historian; Jo Ann Wennlund, recreation chairman; Kathryn Cooper, publicity chairman; Jane Oram, degrees chairman and Jean Rowsell, projects chairman.

The Frosh-Soph chapter will not elect their officers until the beginning of the fall semester.

**F. T. A.**  
The Lincoln-Way F.T.A. entertained about fifteen members of the F.T.A. from Bloom Township high school on Thursday evening, May 3. A welcoming committee of L-W F.T.A. people was on hand to greet their guests. They played games and after all had become acquainted, every one went down to the homemaker room where refreshments were served. The visitors were taken on a tour of the building.

### YOUTH SPEAKS

**Bert Fulton School**  
By John McDaniel  
Mrs. Lembke's first graders of Room 107, saw an article in their Science Newspaper, suggesting that they might try to grow dish gardens.

The children's experiment so far has gone along very nicely. The children brought potatoes, carrots, onions, and some are trying to make grass grow in a moist sponge.

One person brought a tadpole to school. The children now are studying the stages of the frog. The tadpole is now in the third stage.

Another thing they saw was an article about the wollybear. It is on the caterpillar side. The children brought some wollybears to school.

**Tinley Grade School**  
by Lynda Nelson  
Both seventh grades at the Tinley Park school are making sculptures out of pottery clay. They are making sculptures in order to learn how to model figures. The students may paint their sculpture if they wish. They are under the direction of Mrs. M. Zahler.

**Tinley Grade School**  
by Suzanne Watkins  
Several months ago, Mrs. Helen Sandig, our Social studies teacher, gave the girls and boys of the seventh and eighth grade a chance to get pen pals from the United States, South America and Europe. Many of them took advantage of this offer.

Diane Ecklund and Lynn Lehmann have received replies,

Diane's pen pal's name is Elaine Lavelliant from France and Lynn's pen pal is from Austria.

**Tinley Grade School**  
by Fran Swisher

The eighth grade class of the Tinley Park school toured television station WNBQ in Chicago Wednesday, May 2. This free tour was sponsored by the Merchandise Mart.

WNBQ opened its new color studios on April 15, making it possible for all programs originating in Chicago to be telecast through the RCA compatible color system. This is the first all color station but it is expected that the other stations will follow the example. One of the attractions was that of students seeing themselves on color TV.

**ATTEND BALLGAME**  
The cast and chorus of the Tinley Park school's annual operetta, the basketball teams, Patrol boys and other school help will be rewarded for their efforts today when they attend a baseball game at Wrigley Field between the Chicago Cubs and the Brooklyn Dodgers. The students will attend morning classes and then leave for the game. About ten teachers and parents will accompany the students.

**I. C. Promotes Flossmoor Man to Chief Engineer**

(Community News Service)  
John M. Trissal, of 2052 Vanden Lane, Flossmoor, became chief engineer of the Illinois Central Railroad on May 1.

Trissal joined the Illinois Central as a draftsman in the engineering department in 1925, after his graduation from the University of Illinois. In 1927 he became junior engineer and a year later, assistant engineer. In 1930 he was promoted to assistant electrical engineer.

In 1945 Trissal took over as superintendent of communications and electrical engineer. He was advanced to his present post of assistant chief engineer in 1950.

Present chief engineer Charles H. Mottier will continue in a position he now holds—vice president in charge of engineering.

### Illinois Gives Special Care to War Veterans

Of all the states, only Illinois provides up to \$5,000 to certain paraplegic veterans to help them have specially adapted housing. Illinois is the only state which makes annual grants to school children of specified ages provided a parent was killed in battle or died because of service-connected disabilities.

Gov. William G. Stratton ad-

ressing a Springfield conference sponsored by the Illinois Veterans Commission last week, called attention to the foregoing benefits as among the many services Illinois provides for its former fighting men. The governor added that Illinois is one of the few states which maintain a home for soldiers, sailors and their widows, and a school for children of veterans slain in action or deceased from service connected injuries or diseases.

Kennie received many lovely gifts.

Miss Judy Carroll was hostess at a slumber (?) party given in her home for 13 young ladies. A gala time was had by all.

The Cub Scouts have made two nice projects which were on display at their monthly Pack night meeting last Thursday in the Orland Park Legion hall. The boys made bird houses and instruments from cigar boxes and string. "He shall have music wherever he goes."

Mr. and Mrs. Thomas Verhagen entertained guests from Milwaukee Saturday. Mr. and Mrs. S. R. Lundgren and two sons are related to Mrs. Verhagen. The boys had planned to fish in the small pond which can be seen from the Verhagens patio.

Another new house is in the process of being built on the hill at 80th and 139th St. The Zadeskys are clearing their land in preparation to build.

Residents were looking forward to an added convenience Monday morning as the mail boxes were brought in from 135th Saturday afternoon. The boxes are grouped in fours in various locations on the right hand side of the road. Each four boxes are on red wood stained two by fours and 38" off the ground. Thanks to Jack Nelson for his untiring efforts to have the boxes brought in off the busy highway.

Mrs. Geo. Carroll will have the Koffee Klotch this month.

**LINCOLNWOOD**  
Dolores Anderson,  
phone 3651 New Lenox

The Lincolnwood Lions club will hold their dinner meeting this evening May 10 at 8 o'clock in the Lincolnwood Drive In.

Cub Scout Pack 41 of Lincolnwood Hills met for their last preliminary meeting May 1 in the Schmul school. Robert Wolz and Angelo Pistilli, Cub Scout organizers from the Boy Scout council in Joliet, were guests, and showed slides of the various phases of Cub Scouting.

They invited parents to attend a round table discussion at the Plainfield Methodist church on May 16. It was decided to hold the first Pack meeting of the new Cubs Tuesday night, May 29 with a weiner roast at Van Horn woods. The Cubs were asked to work on their Bobcat requirements before that meeting.

Pupils of all eight grades of the Schmul school, enjoyed their annual field trip May 1, when a chartered bus took them with their two teachers, Mrs. Gladys Roth, and Miss Marlene Ward, to the Museum of Science and Industry in Chicago. The following mothers accompanied the group, Mrs. Helen Madden, Mrs. Dorothy Owen, Mrs. Betty Otis, Mrs. Loretta Madsen, Mrs. Gene Newman and Mrs. Ann Halik.

Betty Jane Malloy, daughter of Mr. and Mrs. William Malloy celebrated her 8th birthday anniversary Saturday afternoon at a party for a few friends. Games were played and prizes were awarded. Refreshments were served with the usual decorated birthday cake. In the evening,

**ALPINE**  
Mrs. E. Mrosek  
Fieldbrook 9-2841

Reamar Benson, of Washington, D. C., who is an assistant construction superintendent of the new stainless steel office building that is under way in Chicago for the Inland Steel company, was a Saturday over night guest of Mr. and Mrs. Stuart Culp.

Sunday guests of Mr. and Mrs. Joseph Pelokuin were their cousins, Mr. and Mrs. Norman Bunes, Joy, Patty and Norma.

Although rain spoiled their plans for a picnic Saturday, the Alpine Girls 4H club still managed to enjoy the day. Instead of going to Messenger woods they met at Maue school where they made rose corsages for Mother's day and decorated glasses.

At a meeting with the Maue school directors held at the school Monday evening, Maue's teachers Mrs. Winifred Meinert and Miss Carol Schumacker, both of Joliet, agreed to teach at the school again next year.

What with getting ready for the constitution test and graduation, eighth graders don't have much time on their hands these days. A fine graduation program, to which all will contribute, is planned.

The next meeting of the Orland Boys 4H club will be held at the school, Monday evening, May 14. The program will include a film on electricity.

Maue PTA board members met at the school, Wednesday afternoon. The program planned for the regular monthly meeting was discussed.

Arrangements have been made for a field trip to the Sand Dunes, May 22 for Maue school children.

Mrs. Roy Walker will be hostess to a cub scout committee meeting in her home, Wednesday evening, May 16.

Cub Scouts, den 5 of pack 218 held their regular Thursday meeting in the John Cruise home. Under the supervision of den mothers Mrs. Cruise and Mrs. Roy Walker, members cared for the plants they are raising for mothers day and continued work on their mother's day cards. Several finished up on this project.

Since this is nature month, Bill Lohmann brought in a crab for study.

Because of increased responsibilities and her plans for the summer, Mrs. Mrosek will not be able to continue as correspondent for this column after June 11. It is hoped that by that time someone will be found or

Betty Jane's grandmother, Mrs. Vera Sullivan and Mr. and Mrs. L. D. Birmingham of Chicago came to help her celebrate.

Mr. and Mrs. Pat Cullen and family had as their guests Sunday, Mr. and Mrs. Fred Harile, and Mr. and Mrs. P. J. Cullen of Chicago.

Roman Nowicki returned home over the weekend from Lowden, Tenn., near Knoxville, where he spent the past week on business with the Vicking Corp with whom he is employed, who is building a new plant there.

Mr. and Mrs. Herbert Stadt spent the past weekend at their farm in New Lisbon, Wis.

Mr. and Mrs. Erwin Uhrhammer and family spent Sunday in Chicago with her mother Mrs. Ida Rode.

Mrs. Rose Rabieva, Miss Anna and Lawrence Rabieva, attended a Communion party in Chicago Sunday for her granddaughter Patsy, at the home of her parents, Mr. and Mrs. Joseph Ocoln.

Mr. and Mrs. Harold Wollenhaunt and children had as their guests over the past weekend, her mother, Mrs. Bruce Van Enns, and her aunt, Mrs. Bea Burlingame, from Lansing, Mich.

Mr. and Mrs. Edward Neuhaus of Melrose Park were guests of Mr. and Mrs. Walter Thode, Sunday.

The Illinois commerce commission has granted a fare increase for the Joliet to Chicago run of the Gulf, Mobile and Ohio Railroad.

To take effect May 16, the increase parallels a fare hike approved for the Rock Island railroad. The commission granted that increase earlier.

In both cases single-ride fares will go up three cents a mile. Minimum one-way fare on the Gulf, Mobile and Ohio between Chicago and Joliet will now be 25 cents. It was 15 cents.

Commuters who buy books of tickets will pay nine to 20 per cent increases.

The Rock Island kept its minimum fare at 20 cents to match the Chicago Transit authority. For the same reason, the Gulf, Mobile and Ohio will charge 17 cents from Brighton Park to Chicago as it has in the past.

Other towns served by the three daily trains from Chicago to Joliet are Summit, Willow Spring and Lockport.

Two hundred and 15 passengers a day will be affected by the increase.

**G. M. & O. WINS FARE INCREASE IN SUBURBS**

Until you slip behind the wheel and sample the sizzle of a 225-h.p. Ford V-8 for yourself, the best thrills in motoring are still ahead of you. For this mighty engine delivers performance that will set your spine atingle... performance that will recapture again the fun of driving... performance that keeps Ford the world's largest-selling V-8!

Truly Ford goes first with this 312 cubic inch engine—largest ever offered in a low-priced car. Yet, even teamed with Fordomatic, it costs less than top engines in other low-priced cars with just standard transmission!

Ford goes first with Lifeguard Design, too.

For example, there's the deep-center structure of the steering wheel that helps to protect your chest in case of accident... double-grip door latches to reduce chance of doors opening under impact.

As for looks, every '56 Ford took its styling inspiration from the Thunderbird. They're the most glamorous cars in Ford's field.

In economy, too, Ford goes first. In the 1956 Mobilgas Economy Run, a Ford V-8 beat everything in its class—including Sixes as well as Eights. Come in now for a thrilling Test Drive. When you return you'll understand why Ford is the V-8 with the biggest following.

**In Performance... Safety... Economy**

**PURE OIL MANUFACTURER'S AWARD** for best all-around performance at NASCAR's Daytona races

**MOTOR TREND AWARD** for year's greatest car advance, Lifeguard Design

**MOBILGAS ECONOMY AWARD** for top gas economy per pound in Ford's class

**FORD goes first**

Now! An air-conditioned Ford costs less than many medium-priced cars! Try one today!

## Law On The Farm

By Norm Krausz  
Farmers will be able to obtain a refund of the federal excise tax on gasoline which is used on a farm for farming purposes. The present federal tax rate is two cents a gallon. The internal revenue service has announced that under the new law the first refund payment will be made after June 30 with respect to gasoline purchased and used during the first six months of 1956. Thereafter, refunds will be made for a one year period from July 1 to June 30.

To get his refund, a farmer will have to file his claim between June 30 and Oct. 1. Claims are to be made on Form 2240 and are to be filed with the district director of internal revenue for the farmer's district. Forms will be available after June 1 at internal revenue offices, county agricultural agencies.

Refunds will be limited to the federal tax on gasoline which is used by a farmer for farming purposes. A farmer may also request a refund of the tax on any gasoline which is used on his farm by a custom operator or a neighbor in cultivating the soil or raising or harvesting any agricultural or horticultural commodity.

In general, the new law provides that gasoline shall be treated as used for farming purposes if it is used:

(1) By the farmer or any other person in cultivating the soil or raising or harvesting any agricultural or horticultural commodity, including livestock, poultry, etc., on the farmer's own farm.

(2) By the farmer in the operation, management, conservation, improvement, or maintenance of his farm or its tools or equipment.

(3) By the farmer in handling, drying, packing, grading, or storing any agricultural or horticultural commodity in its unmanufactured state, but only if he produced more than one-half

of the commodity which he so treated during the period for which the claim is filed.

(4) By the farmer in connection with planting, cultivating, caring for, or cutting trees, or preparing (other than sawing into lumber, chipping, or other milling) trees for market, but only if the planting, etc., is incidental to his farming operations.

No refunds of tax are allowed on gasoline used off the farm, such as on public roads or highways in transporting family members or workmen, equipment, livestock, crops, feed, etc. Also, no refunds are allowed for tax on gasoline used in processing, packaging, freezing, or canning operations.

Farmers are also given special relief from the federal excise tax on diesel fuel and special motor fuels used on a farm for farming purposes.

Farmers who expect to file claims should keep sufficient records to enable the internal revenue service to verify the accuracy of the amount claimed.

## Mosquito District Joins Fight Against Stream Pollution

Announcement was made by the board of trustees of the South Cook county mosquito abatement district at their April meeting that, in line with its policy of cooperative endeavor with other agencies, the district has accepted an invitation from the Cook county clean streams committee to participate in its efforts to detect and correct pollution in the county.

Named to membership on the Lower DesPlaines-Salt Creek and Tinley Creek watershed subcommittees, respectively, are Foreman E. E. Fetzner of the Oak Lawn division, and A. M. Lowrie, foreman of the district's Harvey division. Senior Operator M. M. Rivetto of the district's sub-depot at Chicago Heights was appointed to the Thorn Creek-Calumet subcommittee.

Replying to Lewis I. Birdsall, executive secretary of the clean streams committee, District Manager W. J. Buchanan said: "The candidates named are our Division Foremen most actively concerned with the respective watersheds. I believe they will be able to contribute most in terms of specific day-to-day observations of some 16 field operators we have working south of 87th street in the county. In addition to apparent sources of pollution observed in the course of mosquito control operations, we would also be able to indicate the mosquito nuisance potential associated with these sources of pollution observed in the course of mosquito control operations, we would also be able to indicate the mosquito nuisance potential associated with these sources, if you so desire."

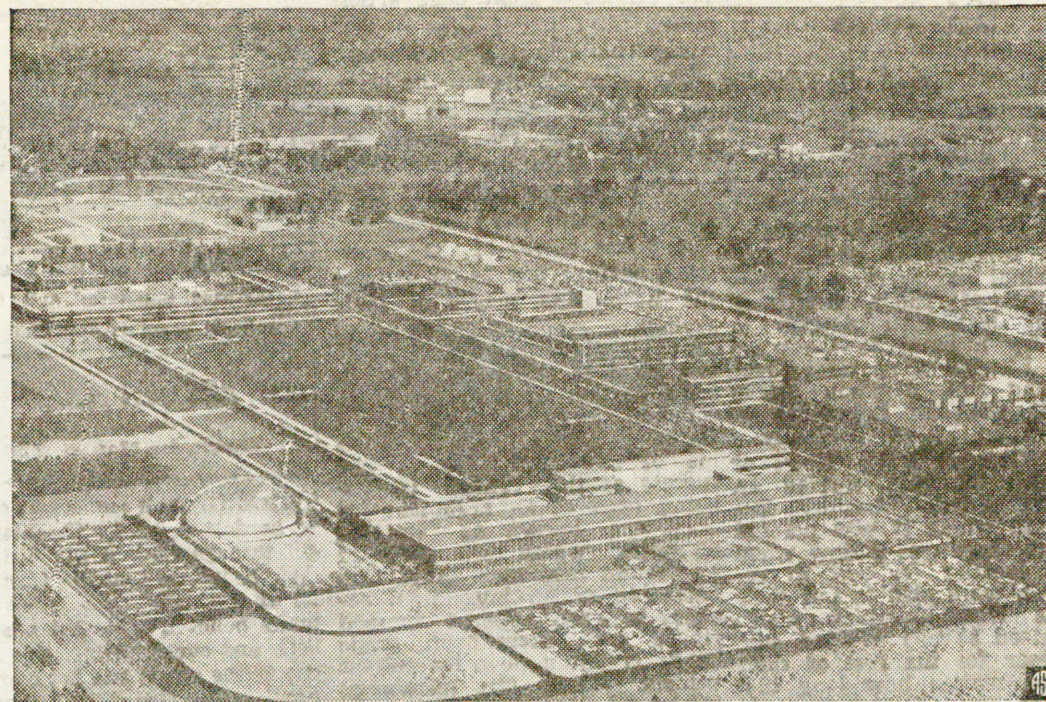

Field Engineer A. J. Boulah anis was appointed to the Cook county clean streams general committee, with Oscar V. Lopp, entomologist for the South Cook county mosquito abatement district, and Buchanan, engineer-manager, as alternates for purposes of attendance at the monthly meetings held at the forest preserve district of Cook county headquarters in River Forest.

## General Motors To Dedicate Technical Center

General Motors will dedicate its fabulous new Technical Center just north of Detroit in impressive ceremonies May 15-16. Hailed as one of the world's outstanding industrial research centers, the GM Technical Center contains 25 buildings on a site of 330 acres. The Tech Center is a resource available to all the company's divisions and is a workshop for more than 4,000 engineers, researchers, stylists and other specialists charged largely with the responsibility for forward research, engineering and styling. As General Motors President Harlow H. Curtice has said: "There are no 'today's' at the Technical Center. This is our investment in tomorrows." The mid-May dedication is expected to draw world-wide attention.

## FEDERAL FUND USE IN STATES CAN BE PERIL

Pumping federal funds into so-called depressed areas could easily create an economic "Jack-and-the-Beanstalk," with no assurance that the giant would be killed in the end, the National Association of Manufacturers holds.

In a statement filed with a subcommittee of the Senate Committee on Labor and Public Welfare, the NAM questioned the need for enactment of S.2663 which would authorize loans or grants up to \$200,000,000 of federal funds.

Toward Welfare State  
Pointing out that federal aid to depressed areas is already quite extensive, the NAM also emphasized that state and local aid is already well established.

For example, it said that 41 of the 48 states now have economic development commissions or similar bodies which are equipped to assist in easing the adverse effect of local economic dislocations and unemployment.

The NAM said that S. 2663 seems to be headed in the direction of the "welfare state" in that it encourages an increasing paternalism of the federal government, instead of relying upon the vigor and ingenuity of the states and communities in adjusting to changing economic realities.

## Legume Pastures Good for Pigs and Producers' Purses

You can feed up to 40 per cent less concentrates when you take pigs out of drylot and put them on a good legume pasture.

Alfalfa makes good hog pasture, and it is the most important hay and pasture crop in Illinois. It will grow on almost all soils in Illinois except those that are very acid or poorly drained.

Seedbed preparation is important, as well as what mixtures and seedling rates you use. Answers to these and other questions about alfalfa are given in a new circular just published by the University of Illinois College of Agriculture.

The publication—Circular 756, Alfalfa—covers these topics: soils best for alfalfa, how to precondition the field, preparing the seedbed, when to sow alfalfa, mixtures and seedling rates, managing alfalfa, diseases, insects, the meaning of hard seed, inoculation, varieties, certification and recommended varieties. Circular 756 is available from my office, 500 South St. & 66th Court, Tinley Park.

## CROP SENDING GREEKS FOOD

The Illinois Office of CROP, Christian Rural Overseas Program, announced that one million pounds of corn, a half million pounds of rice, and almost a quarter million pounds of wheat were shipped Monday, April 16, on the SS Hellenic Star from Houston, Texas for Greece.

These food supplies come from government surplus. The churches working together thru CROP and Church World Service provide the funds needed for the distribution which, in this case, will be made thru the Holy Synod Church of Greece, World Council of Churches Refugee Service and the Evangelical church of Greece.

Those who will receive this help are victims of the recent cold wave, blizzards, and landslides in the Northern Greek Villages. This large shipment was originally scheduled for later in the month, but was advanced on account of the emergency conditions.

Corn borer survival over last winter was very high averaging only 7 borers per stalk in our area. With this in mind, it is extremely important to delay corn planting until after May 15.

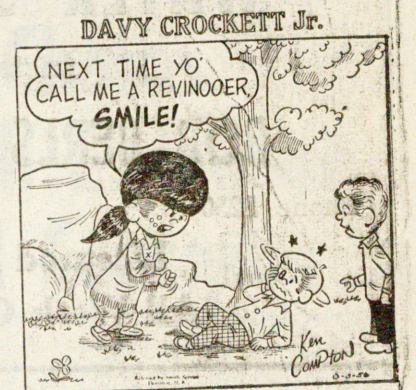

## Gives Lecture on Spiritual Awakening

Mankind has great need for the hope, assurance, and well-being which spiritual awakening can bring, said Ralph E. Wagers of Chicago in a Christian Science lecture.

Casting out the dark shadows of fear, the light of God's healing power has established practical religion as the one dependable moral and spiritual force in the world today, Mr. Wagers affirmed.

He spoke under the auspices of First Church of Christ, Scientist of Midlothian in Bremen Community high school. His subject was "Christian Science: The Dawn of a New Day." Mrs. Pansy Rolison, second reader, introduced him. Mr. Wagers has traveled widely in this country and abroad as a member of The Christian Science board of lec-

tureship. Even those, he said, who consider man and the universe to be simply material are beginning to look with respect and interest upon the interpretation of Spirit, God, as cause and of effect as spiritual.

## Trade In Your Old Lawn Mower Hand or Power on the new SKIPPER ROTARY

Direct From Factory to You  
A Real Buy in a Quality Mower  
**PRICE \$69.50**

The Mower that cuts grass like a hammer mill grinds feed, with free swinging blades that are held in cutting position by centrifugal force.

The cutting blades swing back when striking an unseen object, this action keeps the blades from being nicked or dulled and makes the SKIPPER safe from throwing stones and other objects.

Delux model V-47 Powers Product Engine with hush tone muffler 2.2 H.P. This Engine was used on approximately 30% of all the Rotary mowers manufactured last year.

## Business and Finance

By Maurice P. Angland

The function of professional investment managers is the investment of funds profitably without loss thru decline in value by increase in the price level. Studies show that over the long run, common stocks tend to rise and fall more or less as do prices generally.

The Chicago Daily News of December 12, 1955 carried an editorial titled, "Annuity Decline" in which it was pointed out that there was a time when people looking forward to retirement, were glad to put their savings into annuities which guaranteed to pay a fixed sum each year for the rest of their lives on matter how long that might be. The editorial states, in part:

"We note, however, that the purchase of annuities has declined sharply. Insurance company advocates of what is called the 'variable annuity' find that people are turning to the Mutual Funds and the installment purchase of securities as a means of building financial independence.

"The reason for this, of course, is that inflation has made the dollar so unstable that an income in fixed dollars is likely to become inadequate in addition of cheating the annuity buyer of some of the value paid out."

On May 3, 1956, in connection with a series of articles, the Chicago Daily News is running on the problems of the aged and

retirement plans, this newspaper carries a front page article titled, "Hot Issue: Type of Annuity That's Best For Oldsters."

The article points out the problem of teachers paying into a retirement program whose investments are solely fixed dollar holding and the fact that price level increases were cutting the purchasing power of the retirement savings. To better protect the purchasing power of their savings, a group of 20,000 formed the College Retirement Equities Fund in which they invested a portion of their funds in common stocks and a portion in "fixed dollar" securities consisting of conservation bonds. The success of this venture is now being used as an argument for what are known as "variable annuities" which are proposed by certain insurance firms. The balancing of an investment account between selected common stocks and investment grade bonds is not a new investment vehicle. What are known as "Balanced Mutual Funds" have been doing this for some years. It is, however, new to the insurance field.

The subject of the variable annuities has caused a sharp split between two of the largest of the life insurance firms in the country—Prudential Insurance Co. and the Metropolitan Insurance Co. The Prudential Insurance Co. believes that there is a necessity for such common stock investment as part of the over-all investment program and that they can handle it. The Metropolitan Insurance Co. is against the idea and feels that insurance firms should limit themselves to their five dollar plans without attempting to follow the ups and downs of the market. Other critics of insurance firms entering the field of common stock investment, state that insurance firms are experts in fixed dollar investments, but without experience in common stock investment—two very different fields.

The Mutual Funds do not object to the insurance firms becoming competitors, but they insist that if the variable annuities are permitted to insurance firms that they be regulated in exactly the same manner as are Mutual Funds—that is by the Securities & Exchange Commission and state securities commissions rather than by insurance commissions alone. The regulations are very different and especially in so far as complete and accurate disclosure of investment and investment experience are concerned.

The Prudential Insurance Co. is fighting very hard for the right to sell variable annuities and we will hear much more about this. Their opponents are fighting just as hard to stop that eventuality.

Lawn seed mixtures that contain large amounts of annual grasses along with the perennial grasses are not a good buy because the faster growing annuals may crowd out the perennials and slow up growth of a good sod.

## THE BIBLE SPEAKS

International Uniform

Devotional Reading: Acts 10:34-43

### For All Men

Lesson for May 13, 1956

STRANGE as it seems, one of the hardest things for Christians to get through their heads and into their hearts, is that the Gospel is for all men. Some people have actually believed that God has two lists, and everybody's name is on one or the other; one list is of the people whom God intends to save, and the other is the list of those whom He has no intention of saving. This notion is out of line with the New Testament, especially such a clear statement as 1 Timothy 2:4: "God our Savior, who desires all men to be saved." Others, as we all know, somewhere back in their minds are very slow to believe that the Gospel is really for all men.

### "The Believers Were Amazed"

Prejudice is not new in the world, not new in the church. The very first Christians had their prejudices and some of them never recovered from them. We are told that the Roman army officer Cornelius, and his whole household—presumably servants as well as family—were converted, the believers who came from Jerusalem with Simon Peter were amazed, "because the gift of the Holy Spirit had been poured out even on Gentiles." These Jerusalem believers were all Jews, and Cornelius and his household were all Romans—or some other race, perhaps Egyptian or Greek—and Jews had long supposed that being the "chosen people" meant that God would have dealings with them, and with them alone, of all the races in the world. The "Gospel" was for God's people; and the Romans weren't God's people—as those first believers saw it. So when it was obvious that some Romans had accepted God, and God accepted them.

### Prejudice, Modern Style

Is the Gospel for all men? No, some would seem to be saying. Only for white people. If it is for anybody else, let it be somewhere else but where white people worship. The gospel can't be preached to any ears but white ears in the white man's church. A preacher in a large all-white congregation reports having received grateful telephone calls from members of another race—men and women who don't get very much out of the sermons in the only churches where they are admitted; so they have stopped going to church and have to "make do" with the radio. Is the Gospel for all men? No, a great many American church members seem to be saying when the offering plates are passed. These members may spend generously for their own congregation. They will put out big money to build an educational plant, or an entire new church. They will buy the preacher a new car. But money for missions? Not a cent from some of these people.

### God Loves All Sorts

It was not only the first believers who were "amazed" that Romans could become Christians. Believers today are shocked from time to time in the same way. The fliers in the great war who were shot down over jungles, expecting death, only to find in those rain-forests people singing Christian hymns; the prisoner in a Japanese concentration camp who found that one of his guards knew Jesus; the traveler in Russia who finds that there are real Russian Christians even today; these have been amazed too. But such surprises occur not only across the seas; they can happen across the tracks. Many persons show that they don't expect the Gospel to do any good except to some one kind of people. For example, everybody knew Billy Graham could reach the masses of Englishmen, the ordinary kind that will flock to a sports arena to see any kind of sensation. But when Billy Graham proposed to visit Cambridge University, many people advised him not to go. You'll never get anywhere with university students, he was told. It's the old story, the Gospel is for some people, not for all. Sometimes it's the other way around. People well-polished with education and filled with culture to the eyeballs, don't want certain "other kinds" of people in their church; it might "lower the tone!" No—God loves all sorts; and if we profess to be his people, we had better learn to love other sorts than our own.

(Based on outlines copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. Released by Community Press Service.)

## Crabgrass Quick to Take Over Any Lawn, Any Place, Any Time

Use a combination of herbicides on your lawn this spring that will control crabgrass as well as such weeds as dandelions, plantain, curled dock, wild onion, chickweed and henbit.

Killing broadleaved weeds alone permits crabgrass to move in and infest the spots where the weeds were growing, says H. R. Kemmerer, extension landscape specialist at the University of Illinois College of Agriculture.

Make a satisfactory spray mixture for spring control of crabgrass and weeds from 2 gallons of water and 2 ounces or 4 tablespoons of phenyl mercuric acetate (PMA), using any commercial product containing 10 per cent PMA. Add to this 1 ounce or 2 tablespoons of an amine salt of 2,4-D (any commercial product containing 4 pounds of 2,4-D per gallon of concentrate). Thoroughly mixed, this spray will treat 1,000 square feet of lawn area.

Repeat this treatment, omitting the 2,4-D from the mixture at 7 to 10 day intervals until three applications have been made. The first treatment with the PMA-2,4-D combination should be applied as soon as possible after crabgrass appears and while it is still in the two-leaf stage of growth.

Potassium cyanate at 3 1/2 oz. or 7 tablespoons may be used to replace PMA in the treat-

ments described above. MCPA at the same rate of application suggested for 2,4-D may be used instead of 2,4-D.
